HE #14

On page 3, at the beginning of the second paragraph, insert the following:

“The Committee will examine the impact of the Affordable Care Act on health coverage and affordability. The Committee will examine how the law has resulted in historic coverage gains with a record-breaking 21.3 million individuals enrolled in coverage through the ACA marketplaces, and lower monthly premiums for millions of families. The Committee will consider how we can build on these historic coverage gains and further lower health care costs for American families.”
