

**AMENDMENT TO DRAFT OVERSIGHT PLAN**

**HE #27**

On page 2, at the end of the third paragraph of the section entitled “Biological Threat Preparedness and Response”, insert a comma after “infectious disease,” and insert the following sentence:

“and providing recommendations to health care providers and the public about when and how to use approved (or authorized) vaccines, including but not limited to issuing any updates or additional recommendations to the U.S. adult and childhood immunization schedules in a timely manner.
