

Addiction Medication in Pharmacies (Tonko)

On page 3, at the end of the section entitled “ILLICIT DRUGS AND SUBSTANCE USE AND MISUSE”, insert this language:

“The Consolidated Appropriations Act (CAA) of 2024 requires Medicaid to cover all FDA-approved medications for opioid use disorder (OUD). This law made permanent a provision of the Substance Use Disorder Prevention that Promotes Opioid Recovery and Treatment (SUPPORT) Act. The Committee will utilize its oversight authority to ensure that CMS remains in compliance with the CAA requirements and that coverage for these medications is maintained.”
