

AMENDMENT TO H.R. 3632

OFFERED BY M__ . _____

Page 3, line 8, after “electric generating unit” insert
“: *Provided*, That the Commission may not require the
continuing operation of an electric generating unit unless
the Commission certifies, in consultation with the rel-
evant State commission, public utility, regional entity (as
defined in section 215(a)), and transmission organization,
that the continued operation of such electric generating
unit will not disincentivize additional electric generating
units from being built or enlarged in the next five years”.
