

**AMENDMENT TO THE COMMITTEE PRINT FOR
H.R. 2289**

OFFERED BY M .

Page 36, after line 3, insert the following (and re-designate succeeding subsections accordingly):

“(j) NEED FOR CERTIFICATION.—For the purposes of this section, a request to a State or local government or instrumentality thereof may not be considered submitted unless the request includes a certification stating, under penalty of perjury, that the requesting party will provide any service supported by the facility that is the subject of the request to any unserved community or portion thereof, including any individual unserved Broadband Serviceable Location, within the jurisdiction of such government or instrumentality.

Page 68, line 14, strike “requirement.” and insert “requirement, except any requirement to provide service to any individual location within, or portion of, the franchising authority’s territory.”.
