

David Trimble
Director, Natural Resources and Environment
U.S. Government Accountability Office
Biography

David Trimble serves as a Director in the U.S. Government Accountability Office's Natural Resources & Environment group in Washington DC. Mr. Trimble provides leadership and oversight on US and International Nuclear Security and Cleanup issues. He previously led work on environmental issues including, controlling toxic substances, clean water and clean air issues, Superfund and EPA management.

Mr. Trimble joined the U.S. Government Accountability Office in April 2009. Previously Mr. Trimble worked for nine years at the Department of State's Political Military Affairs Bureau as the Director of the Office of Defense Trade Controls Compliance where he was the senior official responsible for export compliance and enforcement issues. From 1986 to 2000, Mr. Trimble worked for the GAO in field offices as well as GAO Headquarters covering a wide range of issues. He has an MA in Policy Analysis from the University of Chicago and a BA in Philosophy from Lawrence University.
