Doug,

Per Brian's request, attached is an Excel file that summarizes some of the GMX001 airbag non-deployments.

There are three tabs. The information is basically the same on each tab. Each tab is sorted differently.

Call me if you have any questions.

Thanks,

John Sprague

John,

Can you send whatever summary information you have on non deployments to Doug Wachtel in preparation for next week's meeting? We should discuss it internally here, possibly at Monday's group meeting.

Thanks,
