

Linda T. Kohn

Linda Kohn is a Director with the health care team at the Government Accountability Office (GAO) where she works on issues related to public health, health information technology, and medical research programs. Before joining GAO in 2003, Dr. Kohn was at the Institute of Medicine (IOM), where she was lead editor of *To Err Is Human: Building a Safer Health System*, and co-editor of the project's second report, *Crossing the Quality Chasm*. Before joining IOM, Dr. Kohn was a Senior Researcher at the Center for Studying Health System Change and also conducted research at the Johns Hopkins School of Public Health. Before entering the research field, Dr. Kohn was Vice President at a hospital holding company in Minneapolis, Minnesota, and was Vice President at a hospital in Detroit, Michigan. Dr. Kohn received her Ph.D. from The Johns Hopkins University and her M.P.H. from the University of Michigan.
