Amit Yoran  
President, RSA

As President, Amit Yoran is responsible for leading RSA, transforming the vision, strategy, and execution across the business. Mr. Yoran founded and served as the CEO of NetWitness, the market-leading network forensic product provider, which was acquired by RSA in 2011. In 2003 and 2004, Mr. Yoran served as founding director of the US-CERT program. Prior to that role, Mr. Yoran was co-founder and CEO of market-leading managed security services provider Ripstech, which was acquired by Symantec in 2002, and where he subsequently served as Vice President of Worldwide Managed Security Services.

Mr. Yoran holds a BS in Computer Science from the United States Military Academy at West Point and an MSc in Computer Science from the George Washington University.
