

ONE HUNDRED FIFTEENTH CONGRESS  
**Congress of the United States**  
**House of Representatives**  
COMMITTEE ON ENERGY AND COMMERCE  
2125 RAYBURN HOUSE OFFICE BUILDING  
WASHINGTON, DC 20515-6115  
Majority (202) 225-2927  
Minority (202) 225-3641

June 19, 2017

Dr. Anthony Fauci  
Director, National Institute of Allergy and Infectious Diseases  
National Institutes of Health  
9000 Rockville Pike  
Bethesda, MD 20892

Dear Dr. Fauci:

Thank you for appearing before the Subcommittee on Oversight and Investigations on Tuesday, May 23, 2017, to testify at the hearing entitled "U.S. Public Health Response to the Zika Virus: Continuing Challenges."

Pursuant to the Rules of the Committee on Energy and Commerce, the hearing record remains open for ten business days to permit Members to submit additional questions for the record, which are attached. The format of your responses to these questions should be as follows: (1) the name of the Member whose question you are addressing, (2) the complete text of the question you are addressing in bold, and (3) your answer to that question in plain text.

To facilitate the printing of the hearing record, please respond to these questions with a transmittal letter by the close of business on Wednesday, June 14, 2017. Your responses should be mailed to Ali Fulling, Legislative Clerk, Committee on Energy and Commerce, 2125 Rayburn House Office Building, Washington, DC 20515 and e-mailed in Word format to [Ali.Fulling@mail.house.gov](mailto:Ali.Fulling@mail.house.gov).

Thank you again for your time and effort preparing and delivering testimony before the Subcommittee.

Sincerely,

Tim Murphy  
Chairman  
Subcommittee on Oversight and Investigations

cc: The Honorable Diana DeGette, Ranking Member, Subcommittee on Oversight and Investigations

Attachment

## Attachment—Additional Questions for the Record

### The Honorable Tim Murphy

1. What is the expected production volume for the vaccine once it is approved?
  - a. Which population will be prioritized for the vaccine and why?
2. Why does Zika cause microcephaly, yet other flaviviruses such as dengue, chikungunya, and yellow fever are not known to cause microcephaly?

### The Honorable Frank Pallone

1. HHS recently reported that NIH has obligated \$68.8 million of its fiscal year 2017 Zika funds. How much funding does NIH have remaining in 2017 for Zika preparation or response? Does NIH have sufficient funds remaining to support these efforts for the remainder of fiscal year 2017?

### The Honorable Kathy Castor

1. Please provide an update on vaccine development and clinical trials.
2. Please provide the latest information on the Zika vaccine licensing agreement between the U.S. Army and Sanofi and any relevant details.
3. With many members of Congress, states and public health advocates worried that the Zika vaccine being developed at the Walter Reed Army Institute of Research with taxpayer dollars will be priced too high, how is the federal government working to ensure Sanofi, when/if a licensing agreement is made, will sell this taxpayer funded vaccine at an affordable price to federal and state governments and to consumers?
4. How has public health advice regarding Zika evolved over the past few years for young men and women? What do we know now that we did not before and what new information could be on the horizon?
5. When does each federal agency believe they will run out of money to respond properly to Zika, including vector control, surveillance, vaccine and diagnostics development/improvement and research?
