Education

- 1997 Psychology, MA, Marshall University
1995 Psychology, BA, Marshall University, Cum Laude

Employment

- 2018-Present **Commissioner, Bureau for Behavioral Health**
Responsible for management and oversight of programs and grants related to substance use disorder, mental health, and intellectual and developmental disabilities. This position establishes and monitors Bureau level budgets for nearly \$100 million to assure cost effective service delivery systems.
- 2013-2018 **Director, Office of Maternal Child and Family Health**
Responsible for management and administrative oversight of more than 25 statewide programs, project and initiatives. Responsible for direct supervisory oversight of eight professional management and administrative staff as well as general administrative responsibility for 160+ employees. This position establishes and monitors Office level budgets totaling 60-65 million dollars per year to assure cost effective service delivery systems.
- 2009-2013 **Director, Division of Infant Child and Adolescent Health, Bureau for Public Health** Responsible for the management of health delivery systems, programmatic development and coordination of the HealthCheck Program, Early Childhood Health Project, Oral Health Program, Adolescent Health Initiative, Systems Point of Entry, Injury Prevention Program and Children with Special Health Care Needs Program.
- 2011-2013 **Consultant, Grant Reviewer** Reviewed grant applications for various federal agencies including the Health Resources and Services Administration and the Centers for Disease Control and Prevention. Identified strengths and weaknesses of proposals and offer scores based on established criteria.
- 2004-2009 **Program Director, Breast and Cervical Cancer Screening Program, Bureau for Public Health** Supervised professional and clerical staff including an epidemiologist and eleven registered nurses. Direct the overall work plan for the design of clinical services delivery and monitoring, client tracking and follow-up, public and professional education, surveillance and evaluation.

- 2002-2004 **Associate Division Director, Division of Tobacco Prevention, Bureau for Public Health** Supervised professional and clerical staff and approved plan of operation. Oversight of delivery of services to grantees and other affiliated agencies and organizations, monitoring of service delivery and evaluation of program performance and administration. Facilitated development and growth of the Youth Empowerment Team.
- 2000-2002 **Associate Program Director, Tobacco Prevention Program, Bureau for Public Health** Program administration included oversight of delivery of services to grantees and other affiliated agencies and organizations, monitoring of service delivery and evaluation of program performance and administration.
- 2000 **Program Coordinator, Tobacco Prevention Program, Bureau for Public Health** Responsible for technical assistance in the area of smoking cessation to community grant programs.
- 1997-2000 **Supervised Psychologist, Allied Behavioral Services** Conducted child and adult psychological evaluations and composed reports for a wide variety of referral agencies; provided individual, child/adolescent, marital and family therapy; participated in court consultations, and led community outreach presentations.
- 1996-1997 **Teaching Assistant, Psychology Department, Marshall University** Taught introductory psychology; prepared and presented all lectures; designed and graded examinations and homework.
