

**AMENDMENT TO DRAFT OVERSIGHT PLAN  
HEALTH-8  
OFFERED BY REP. KELLY**

On page 4, at the end of the first paragraph, insert the following paragraph:

“The United States is in the midst of a maternal mortality crisis disproportionately affects Black women and American Indian and Alaska Native women. Medicaid and CHIP pay for approximately 40 percent of births. Congress has acted to give states additional authority to cover women for one year postpartum. The committee will examine implementation and adoption of this authority and determine what additional steps must be taken to address the maternal mortality crisis.”
