<https://www.aei.org/profile/howard-husock/>

2020-2021

**Philanthropy Roundtable: Executive Senior Fellow**

Conduct research on tax policy and philanthropy

**Manhattan Institute for Policy Research**

Senior Fellow, 2006-2020

See: <https://www.manhattan-institute.org/expert/howard-husock>

**Vice-President, Policy Research (2006- 2019)**

Responsible for commissioning scholarly research for domestic policy “think tank”.  
Oversee and review work of Institute Senior Fellows on projects involving energy, health care, state and local government, immigration, legal policy. Frequent discussion leader at Institute public events..

**Director, Tocqueville Civil Society Initiative**

Director of program which combines policy research with award program for notable non-profits. As Senior Fellow, author of research reports on effect of potential changes in U.S. tax policy on charitable giving, and the growth and significance of donor-advised funds on overall American philanthropic giving.

Leader of annual award process which recognizes effective start-up non-profit social service organizations. Responsible for screening nominations from foundations and

individual donors, offering written program evaluations to national selection committee and visiting up to 10 award finalists each year for written site evaluations. Related research and writing focused on relationship between non-profits and public sector. Speaker/master-of-ceremonies at annual award dinner.

Contributing Editor, City Journal (1998-present)

Regular contributor to Institute “thought magazine” quarterly on urban affairs and social policy. Specialize in housing and social policy and relationship between civil society and government. See publications, below.

**Corporation for Public Broadcasting:**

Member, Board of Directors: Appointed by President Obama; Confirmed by Senate, August, 2013-December, 2018

Published op-eds on state of public broadcasting and proposed reforms in Washington Post, Wall Street Journal, The Hill.

**John F. Kennedy School of Government, Harvard University (June, 1987 through July, 2006))**

Director, Case Program

Responsible for overseeing development of case studies in public policy and management for use in teaching. Program was largest of its kind in the world, producing materials in use in more than 50 countries, 500 colleges and universities. Oversaw staff of up to six writer/researchers, as well as support staff and freelance writers. Work closely with faculty and research centers in developing new cases. Program produced 20- 30 case studies annually based on original research and field work. Director writes and edits case studies, raises funds and develops program budget and oversees national/international case sales and marketing. Editor of 700+ case studies, examining U.S. government--public policy and public administration--at all levels, as well as many non-US governments (Hong Kong, Singapore, Germany, Poland, Russia, Mexico, Bolivia, India,) and non-profit and non-governmental organizations. Topics included most major contemporary political and public policy and management issues, including negotiation, leadership, reinventing/reengineering government, privatization, non-profit management. Producer and/or overseer of videos and multi-media materials.
