

Matthew J. Perry

Matthew J. Perry has been President and Chief Executive Officer of Genesis HealthCare System since 2007. He has built a strong senior leadership team who make excellence in patient care and a strong team-based culture the foundation of our Mission and Values. Under Perry's leadership, Genesis HealthCare System has grown and is comprised of an extensive network of more than 300 physicians and multiple outpatient care centers throughout the region. Some of the Genesis team accomplishments during his tenure include:

- Received the Top 100 Hospital Award by *Fortune* Magazine/Merative 2022, 2023, & 2024
- Received the Top 50 Heart Hospital Award by *Fortune* Magazine/PINC AI 2023 & 2024
- Opened the Genesis Coshocton Medical Center with a 24/7 full-service emergency department, outpatient surgery center, overnight observation unit and more in 2023
- Implemented the Epic electronic medical record throughout the Genesis HealthCare System, currently operating at HIMSS Stage 6 for Ambulatory and Hospital
