

### EXPERIENCE

#### **Consumer Federation of America, Washington, DC**

*Director of AI and Privacy October 2024 - Present*

Establishing a data privacy and AI advocacy program at long-standing consumer-focused non-profit. Researching, writing, and advocating with the aim to get protective privacy and AI legislation passed. Working with state and federal legislators to curb harms from data brokers, AI. Submitting comments to local, state, federal, and international agencies to improve privacy and AI-related work. Work with issue area experts in housing, insurance, investor protection, financial services, and food policy to help ensure advocacy is reflective of the modern AI and data ecosystem.

#### **University of District of Columbia David A. Clarke School of Law, Washington, DC**

*Instructor, January 2023 - Present*

Proposed, developed, and taught Technology Policy & Law in Spring 2023, received positive feedback and taught two-credit courses in Fall 2023 and 2024. Sponsored students in their thesis writing processes.

#### **Department of Justice, Civil Rights Division, Policy and Strategy Section, Washington, DC**

*Attorney Advisor, March 2024 - October 2024*

Coordinating and providing legislative, regulatory, and other policy response to federal legislation, regulation, and reports.. Building capacity to enforce civil rights laws when AI is used throughout the division through training, event planning, and regulatory work. Created the AI State and Local Enforcers Community of Practice to build coalitions and improve capacity throughout the country to enforce against AI harm. Improving and creating new public-facing documents to fill gaps in public education about their civil rights. Developing and evaluating legislative, regulatory, and other public texts that affect civil rights policy.

#### **Electronic Privacy Information Center, Washington D.C.**

*Senior Counsel - January 2023 - March 2024*

*EPIC Counsel - Sept 2021 - January 2023*

Led the EPIC AI and Human Rights Project. Investigating algorithmic injustice through state and federal open government requests and primary research. Supervised collaborations with law school clinics to submit a petition for enforcement with the Consumer Financial Protection Bureau and submit regulatory comments with the Colorado Attorney General. Submitted comments to local, state, federal, and international agencies. Testified before D.C. Council, Massachusetts Legislature, Washington Legislature, California Privacy Protection Agency, and Colorado Attorney General. Presented to several federal and state agencies on algorithmic and privacy issues. Supervised several interns and fellows. Drafting and editing Amicus briefs to the DC Circuit and Massachusetts Supreme Court. Planned several symposia and events related to algorithmic harm and AI policy. Publishing analytical blog posts. Developing and leading coalitions.

#### **AI Now, Washington, DC**

*Senior Fellow, July 2023 - January 2024*

Tracked, analyzed, and created resources on Federal AI policy developments for audience of consumer advocates. Assist in preparations for events, testimony, and more.

#### **Electronic Privacy Information Center, Washington D.C.**

*Equal Justice Works Fellow, August 2019 - August 2021*

Developed and secured funding for two-year research and advocacy plan regarding disparate impact on carceral technologies. Drafted and delivered testimony and comments to legislatures and state, federal, and international agencies. Wrote model legislation to improve algorithmic accountability and transparency. Published report about Artificial Intelligence in the Criminal Justice System. Organized and spoke on several panels.

#### **The Wendy Williams Show, New York, NY**

*Legal and Production Counsel Intern, September 2018 - May 2019*

Drafted, reviewed, and negotiated contracts for giveaways, sweepstakes, and branding partnerships. Researched and reviewed court documents and news sources for live daily production purposes for defamation and trademark claims.

#### **New York City Department of Buildings (Loft Board), New York, NY**

*Legal Intern, May 2018 - August 2018*

Drafted proposed determinations for legalization application of manufacturing and commercial buildings to code-compliant residences. Prepared research memoranda on administrative, bankruptcy, government ethics, real estate, and contract issues. Attended rule-making and adjudicative meetings.

#### **New York Attorney General's Office, New York, NY**

*Legal Extern, January 2018 - May 2018*

Researched and prepared memoranda and public-facing guides on relevant data privacy and internet service for the Bureau of Internet and Technology. Investigated corporate compliance with data breach reporting laws to ensure consumer protection. Assisted with litigation drafting.

#### **Bet Tzedek Legal Services Clinic, Cardozo School of Law, New York, NY.**

*Legal Intern, August 2017 - May 2018*

Represented low-income New Yorkers in contract, property, and disability benefits cases. Drafted and submitted pleadings, motions, and briefs. Interviewed clients and developed case strategy.

**Common Cause New York, New York, NY**

*Media and Democracy Legal Intern, May 2017 - August 2017*

Analyzed policies about broadband access issues and net neutrality. Organized public advocacy efforts.
