*Major Program

JENNIFER MORGAN

DIRECTOR, CLIMATE & ENERGY PROGRAM

Work Experience:

September 2009 – Present **Director, Climate & Energy Program**
World Resources Institute, Washington DC

- Lead WRI's research and policy work in relation to international, national and state-based approaches and dialogues.
- Responsible for quality control of WRI publications on climate and energy.
- Guide strategic direction and research agenda of WRI's climate and energy work by facilitating the development of a long-range vision for addressing climate change in the US and globally, and high-impact strategies for implementing that vision.
- Serve as WRI's main spokesperson on climate and energy issues.
- Focus on critical issues where new insights, analyses, proposals, or efforts to build coalitions could lead to significant progress on climate change.
- Strategic engagement with the U.S. Congress and administration, including preparing and delivering testimony in Congressional hearings.
- Provide day-to-day direction and management of fifty-person team, motivate and provide strategic guidance to project staff, and identify and manage conflicts effectively where they arise.
- Support new China office's climate and energy activities by actively working with staff in Beijing
- Oversee annual budget and ensure financial health of the Program.
- Fundraise for the overall program budget.

October 2006-August 2009 **Director, Global Climate Change Program**
Third Generation Environmentalism (E3G) Berlin

- Lead global strategy, diplomacy, analytical and implementation around UNFCCC, G8, Major Economies Forum and other global climate efforts;
- Guided E3G research agenda around climate change with a focus on international negotiations, Europe, US and China elements;
- Built coalitions around agreed outcomes eg EU CCS demonstration program, EU-China Summits, Copenhagen outcome;
- Lead EU-China efforts with a focus on building Low Carbon Economic Zones, CCS Demonstration and track-two efforts around Copenhagen negotiations;
- Advised a range of actors including German and UK governments, Tony Blair, Chancellor Merkel's Science Advisor and WWF;
- Represented E3G publicly at a wide range of business, government, institute and civil society events;
- Catalyzed, jointly fundraised and co-launched the Global Campaign for Climate Action;
- Fundraised for E3G climate change activities as well as GCCA activities;
- Member of E3G Board, with a responsibility for communications and outreach efforts.

March 1999- October 2006 Director, Global Climate Change Program

Worldwide Fund for Nature International (WWF) Washington, DC and Berlin

- Directed WWF's science, business and communications efforts, acting as chief spokesperson for the organization on climate change;
- Based on a set of agreed internal goals and milestones, built and directed a global team of fifty, with representatives from thirty countries;
- Formulated and advocated climate change policies on international and many national levels eg US, China, Japan, Brazil, Europe;
- Led WWF delegation to UNFCCC and Kyoto negotiations;
- Served on the Boards of Climate Action Network, the Renewable Energy and Energy Efficiency Partnership and REN21.

July 1998- March 1999

**Senior Program Officer
WWFUS Washington, DC**

- Led WWF-US Climate Change Program;
- Initiated WWF Climate Savers Program with business, negotiating stretch targets with US companies;
- Led WWF Network position development on forestry;
- Represented WWF in Congress in briefings, presentations.

July 1994-1996

Coordinator

July 1997-1998

U.S. Climate Action Network, Washington, DC

- Formulated and coordinated policies of U.S. Climate Action Network members regarding the Framework Convention on Climate Change and national climate and energy priorities in the United States.

August 1996- May 1997

Fellow

Robert Bosch Foundation, Bonn, Germany

- Worked for the head of the German delegation to the UNFCCC negotiations as an integral part of the team.

Education:

- **Master of Arts, International Affairs (1992).** The American University, School of International Service. Washington, DC
- **Bachelor of Arts, Political Science and Germanic Studies (1988).** Minors in French and Italian. Indiana University, Bloomington, IN

Advisory Boards:

- **Siemens Sustainability Advisory Board**
- **Potsdam Institute for Climate Impacts**

Languages:

- Fluent in German
- Proficient in French
