Signature: _____

Date: _____

3/4/13

Rob Gramlich is Interim CEO of the American Wind Energy Association, the national trade association of approximately 2000 entities involved in all aspects of wind energy production, based in Washington DC. Rob joined AWEA in 2005 and oversees the association's programs in public affairs, membership, conferences, federal and state legislation, industry information and analysis, and regulatory policy. He has testified before the Federal Energy Regulatory Commission (FERC) and state regulatory commissions, served on the U.S. Department of Energy's Electricity Advisory Committee, and has published articles on wind integration, economic incentives for environmental protection, market power regulation, and electricity capacity markets.

Rob served as Economic Advisor to FERC Chairman Pat Wood III, and has worked for PJM Interconnection, PG&E National Energy Group, World Resources Institute, and the Lawrence Berkeley National Laboratory.

Rob has a Master's degree in Public Policy from UC Berkeley and a BA in economics from Colby College.
