Andrew Logan
Director, Oil and Gas Industry Program, Ceres

Andrew is a director with Ceres, a coalition of public interest groups and institutional investors representing over \$11 trillion in assets. Ceres' mission is to move businesses, capital, and markets to advance lasting prosperity by valuing the health of the planet and its people.

Andrew coordinates Ceres' work with the oil and insurance sectors, with a focus on the risk that climate change poses for those sectors.

Andrew has a background in corporate strategy from his work with Bain & Company, a leading management consultancy. While with Bain, Andrew developed high-level strategy for companies in the finance, e-commerce, manufacturing, retail and media sectors.
