Dr. W. David Montgomery
Senior Vice President
NERA Economic Consulting
1255 23rd Street N.W., Suite 600
Washington, D.C. 20037

Dear Mr. Montgomery:

Thank you for appearing before the Subcommittee on Energy and Power on Tuesday, March 25, 2014, to testify at the hearing on H.R. 6, the "Domestic Prosperity and Global Freedom Act."

Pursuant to the Rules of the Committee on Energy and Commerce, the hearing record remains open for ten business days to permit Members to submit additional questions for the record, which are attached. The format of your responses to these questions should be as follows: (1) the name of the Member whose question you are addressing, (2) the complete text of the question you are addressing in bold, and (3) your answer to that question in plain text.

To facilitate the printing of the hearing record, please respond to these questions with a transmittal letter by the close of business on Wednesday, May 14, 2014. Your responses should be e-mailed to the Legislative Clerk in Word format at Nick.Abraham@mail.house.gov and mailed to Nick Abraham, Legislative Clerk, Committee on Energy and Commerce, 2125 Rayburn House Office Building, Washington, D.C. 20515.

Thank you again for your time and effort preparing and delivering testimony before the Subcommittee.

Sincerely,

Ed Whitfield
Chairman
Subcommittee on Energy and Power

Additional Questions for the Record

The Honorable H. Morgan Griffith

1. Chemical manufacturing is very important to my district and natural gas is a vital feedstock to that industry. What will unlimited natural gas exports do domestic gas prices?
 - a. How will that impact home heating and electricity prices?
 - b. How will it impact U.S. manufacturing?

2. I understand that stable and affordable gas prices are allowing energy intensive manufacturers to expand and invest in the U.S., and that the foreign companies are relocating advanced manufacturing facilities to the United States. Can you discuss this trend and the impact that unlimited exports would have?

Additional Questions for the Record

The Honorable Cory Gardner

1. If the federal government were to restrict in any manner or eliminate hydraulic fracturing nationwide, what would this scenario do to liquefied natural gas exports?
