Please attach your curriculum vitae to your completed disclosure form. Date: 5 Signatu

Biography

Lorraine Gershman is a Director of Regulatory Affairs at the American Chemistry Council in Washington, DC. At ACC, Lorraine has worked on a broad range of environmental regulatory and policy issues and is responsible for leading advocacy efforts on behalf of ACC members regarding air and climate policies. She frequently represents ACC before stakeholders, including EPA, the White House, academia, and policy groups. Her technical expertise includes air permitting, air quality standards, and greenhouse gas reporting programs.

Previously, Lorraine worked on remediation plans and designs for industry clients with GeoTrans, Inc., and developed landfill closure plans with Malcolm Pirnie, Inc. Lorraine received B.S. and M.C.E. degrees in civil and environmental engineering from Johns Hopkins University, and is a licensed professional engineer in Virginia.
