

Committee on Energy and Commerce
U.S. House of Representatives
Witness Disclosure Requirement - "Truth in Testimony"
Required by House Rule XI, Clause 2(g)(5)

1. Your Name: Dr. Kathleen Hogan		
2. Your Title: Deputy Assistant Secretary of Energy Efficiency		
3. The Entity(ies) You are Representing: U.S. Department of Energy		
4. Are you testifying on behalf of the Federal, or a State or local government entity?	Yes X	No
5. Please list any Federal grants or contracts, or contracts or payments originating with a foreign government, that you or the entity(ies) you represent have received on or after January 1, 2013. Only grants, contracts, or payments related to the subject matter of the hearing must be listed.		
6. Please attach your curriculum vitae to your completed disclosure form.		

Signature: _____

Date: _____

5/29/15

In General. The attached form is intended to assist witnesses appearing before the Committee on Energy and Commerce in complying with Rule XI, clause 2(g)(5) of the Rules of the House of Representatives, which provides:

(B) In the case of a witness appearing in a nongovernmental capacity, a written statement of proposed testimony shall include a curriculum vitae and a disclosure of any Federal grants or contracts, or contracts or payments originating with a foreign government, received during the current calendar year or either of the two previous calendar years by the witness or by an entity represented by the witness and related to the subject matter of the hearing. (C) The disclosure referred to in subdivision (B) shall include (i) the amount and source of each Federal grant (or subgrant thereof) or contract (or subcontract thereof) related to the subject matter of the hearing; and (ii) the amount and country of origin of any payment or contract related to the subject matter of the hearing originating with a foreign government. (D) Such statements, with appropriate redactions to protect the privacy or security of the witness, shall be made publicly available in electronic form not later than one day after the witness appears.

Please complete the form in accordance with these directions.

1. ***Name, Title, Entity(ies) (Items 1-3 on the form).*** Please provide the name and title of the witness and the entity(ies) on whose behalf the witness is testifying.
2. ***Governmental Entity (Item 4).*** Please check the box indicating whether or not the witness is testifying on behalf of a government entity, such as a Federal department or agency, or a State or local department, agency, or jurisdiction. Trade or professional associations of public officials are not considered to be governmental organizations.

Grants and Contracts (Item 5). Please list any Federal grants or contracts, or contracts or payments originating with a foreign government, that you or the entity(ies) you represent have received on or after January 1, 2013. For each Federal grant (or subgrant thereof) or contract (or subcontract thereof) related to the subject matter of the hearing, please include the amount and source of each. For each payment or contract originating with a foreign government related to the subject matter of the hearing, please include the amount and country of origin of each. Only grants, contracts, or payments related to the subject matter of the hearing must be listed.

3. ***Curriculum Vitae (Item 6).*** Please attach your CV to your completed disclosure form.
4. ***Submission.*** Please sign and date the form in the appropriate place. Please submit this form with your written testimony. Please note that under the Committee's rules, copies of a written statement of your proposed testimony must be submitted before the commencement of the hearing. To the greatest extent practicable, please also provide a copy in electronic format according to the Electronic Format Guidelines that accompany these instructions.

KATHLEEN B. HOGAN, Ph.D.

**Deputy Assistant Secretary for Energy Efficiency
US DOE
202-586-5523
Kathleen.hogan@ee.doe.gov**

Professional Experience

Deputy Assistance Secretary for Energy Efficiency, US DOE, Washington D.C. (10/09 to present)

Oversees a more than \$600 million annual energy efficiency policy, program, and research portfolio. As part of EERE's senior leadership, helps to implement and achieve national energy efficiency goals, including those laid out in the President's Climate Action Plan. She oversees Administration priority programs including advanced manufacturing, appliance and equipment minimum standards, weatherization, federal energy management, building codes, and Better Buildings.

Director, Climate Protection Partnerships Division, US Environmental Protection Agency, Washington D.C. (1/89 to 10/09)

More than 15 years experience leading an EPA division in the development and implementation of a suite of clean energy policies and programs, including the well-known ENERGY STAR program, for the purpose of addressing global climate change, through which she established a strong track record of tackling and addressing complex challenges in the energy and climate arena using voluntary partnership approaches and was recognized as a national leader on energy efficiency and other clean energy issues.

Specific positions at the US EPA included:

- Division Director, 1997 to 2009
- Acting Division Director, 1995 to 1997
- Branch Chief, 1992 to 1995
- Staff Chief, 1990 to 1992

ICF Incorporated, Fairfax, Virginia (11/87 -- 1/89)

As a senior analyst, refined and implemented modeling approaches for evaluating regulatory alternatives for landfilling and managing hazardous wastes in support of US EPA regulations.

Interstate Commission on the Potomac River Basin, Rockville, Maryland (6/83 - 11/87)

As a water resources systems engineer, planned strategic use of a major East Coast reservoir to meet water quality and water supply objectives as well as developed streamflow forecasts for drought management purposes for the DC metropolitan and surrounding areas.

Education

- 1986 Ph.D. Department of Geography and Environmental Engineering, The Johns Hopkins University, Baltimore, Maryland. Focus on public policy and systems analysis.
- 1978 B.S. Chemistry, Bucknell University, Lewisburg, Pennsylvania.

Recognition and Awards

Kathleen Hogan and the programs she manages have received a variety of recognition and awards. Highlights include (in chronological order):

Charles H. Percy Award for Distinguished Public Service, by the Alliance to Save Energy (for the ENERGY STAR program) -- 2002

Public Service Award for Outstanding Leadership in Energy Efficiency, by the US Energy Association and Johnson Controls -- 2002

Presidential Meritorious Rank Award -- 2003

Unsung Hero and Energy Efficiency Hall of Fame, by the Alliance to Save Energy -- 2004

Mary Kilmarx Award, by the National Association of Regulatory Utility Commissioners' Energy Resources and Environment (ERE) Committee for reflecting the Committee's goals of promoting good government, clean energy and the environment -- 2004

EPA Gold Medal (for the ENERGY STAR program) -- 2005

Recognition for Contributing to the Award of the Nobel Peace Prize to the Intergovernmental Panel on Climate Change -- 2007

Energy Efficiency Hall of Fame, by the US Energy Association and Johnson Controls -- 2008
