

Committee on Energy and Commerce
U.S. House of Representatives
Witness Disclosure Requirement - "Truth in Testimony"
Required by House Rule XI, Clause 2(g)(5)

1. Your Name: Jennifer Amann		
2. Your Title: Buildings Program Director		
3. The Entity(ies) You are Representing: American Council for an Energy-Efficient Economy		
4. Are you testifying on behalf of the Federal, or a State or local government entity?	Yes	No X
5. Please list any Federal grants or contracts, or contracts or payments originating with a foreign government, that you or the entity(ies) you represent have received on or after January 1, 2013. Only grants, contracts, or payments related to the subject matter of the hearing must be listed. N/A		
6. Please attach your curriculum vitae to your completed disclosure form. attached		

Signature: _____

Date: _____ January 8, 2016 _____

Jennifer Thorne Amann

PROFESSIONAL EXPERIENCE

American Council for an Energy-Efficient Economy Washington, D.C., 1997- present

Buildings Program Director (2008-present)

Manage program staff and develop strategic directions for ACEEE work on energy efficiency in the buildings sector.

- Lead research and outreach efforts on technologies, policies and programs designed to increase building efficiency and appliance and equipment efficiency. Recent focus areas include home performance and deep energy retrofits in the residential and commercial sectors, zero energy buildings, non-energy benefits in single-family and multifamily homes, and next generation appliance and equipment standards.
- Direct analysis of building, appliance and equipment standards and labeling including technical advocacy in support of state and federal standards, appliance and lighting labels, and the ENERGY STAR program.
- Direct project activities related to whole building efficiency retrofits and building energy performance for the residential and commercial sectors.
- Provide ongoing analysis and advocacy in support of buildings-related policy proposals including new state and federal codes and standards, building energy use disclosure and labeling, and building retrofits.
- Manage market transformation programs to promote the use of select energy-efficient technologies and practices, and support government and utility programs to accelerate the commercialization of advanced technologies.
- Lead author of ACEEE's popular *Consumer Guide to Home Energy Savings*, now in its tenth edition. Senior Associate (2004-2008), Research Associate (1999-2004), Research Assistant (1997-1999).

Yale Partnership for Environmental Management, 1995-96.

Designed and conducted two-year evaluation program for the TECHCONN Energy and Environmental Technology Deployment Center.

World Resources Institute, 1990 - 1994

Program Assistant, Technology and the Environment

Massachusetts Public Interest Research Group, 1988-89

Campus Organizer Southeastern Massachusetts Regional Chapters

EDUCATION

Yale School of Forestry and Environmental Studies New Haven, Connecticut

Master of Environmental Studies (MES), 1996

Concentration in Environmental Policy and Management

Trinity University San Antonio, Texas

B.A. Environmental Studies, 1988

University of Lancaster Lancaster, United Kingdom

Environmental Sciences, 1986-87

PROFESSIONAL AFFILIATIONS AND CERTIFICATIONS

Illuminating Engineering Society: Energy Management Committee
National Council on Qualifications for the Lighting Profession, Lighting Certified Professional
U.S. Green Building Council
National Home Performance Council, charter Board Member 2010-2014
Association of Energy Services Professionals
