David S. Terry

Professional Experience

Executive Director – National Association of State Energy Officials (NASEO), (Arlington, VA), 2009-Present

Lead NASEO – the only national non-profit organization whose membership includes the 56 governor-designated energy officials from each state and territory. Collaborate with NASEO's 17-member Board of Directors, lead organizational strategic planning, and develop policies and programs that support Board direction and organizational vision and goals. NASEO's primary mission is to serve as a resource for State Energy Officials, and to share state program and policy best practices covering every energy production, distribution and end-use sector. Serve on energy organization boards and advisory committees and engage with various energy industry representatives to convey the priorities of the states. Support the states' work in developing state energy policy plans for governors and legislatures and in advancing energy emergency planning, response, and mitigation.

Consultant – (Arlington, VA), 2004-2009

Focused on the intersection of state and federal energy policy and Provided energy market and policy analysis, program design and implementation, and strategic guidance for states and state-based organizations. Clients included the bipartisan Governors' Wind and Solar Energy Coalition and Governors' Biofuels Coalition, Association of State Energy Research Institutions, and Rutgers University.

Managing Director – National Association of State Energy Officials (NASEO), (Alexandria, VA), 1996-2004

Managed NASEO's buildings, electricity, and energy security committees and led NASEO's international peer exchange program. Managed a \$17 million innovative state-federal energy technology research and commercialization program which aided in delivering the nation's first commercially available plug-in hybrid electric school bus.

Senior Associate – U.S. Association for Energy Development (Washington, DC), 1993-1996

Provided research and implementation support for the association's groundbreaking, multi-million-dollar energy *Commercialization Ventures Program*. This program matched private energy firms with public and private funds to invest in and accelerate energy technology research, demonstration, and commercialization.

Project Manager – CSR, Incorporated (Washington, DC), 1990-1993

Provided communications and legislative services to state and federal clients focused on energy research and development. Led financial and technical research for a federal energy research and development program and advisory committee.

Research Assistant – National Academy of Sciences (Washington, DC), 1989-1990

Provided research and editorial assistance to senior staff of the National Academy of Sciences' Transportation Research Board. Supported topical areas including rail and highway safety.

Assistant Manager – Elder-Beerman (Toledo, OH), 1986-1988

Managed operation budgets and staffing plans for a department store with annual sales of \$8 million. Promoted three levels to assistant store manager within 18 months, overseeing a staff of 60 in sales, promotions, and maintenance.

Education

Virginia Tech, Graduate work in accounting, marketing, and finance, 2001-2003
Bowling Green State University, B.A., Sociology; B.A., Fine Art, 1986
