**Frank Prager
Vice President,
Policy and Federal Affairs
Xcel Energy**

Frank Prager is vice president of Policy and Federal Affairs at Xcel Energy, a U.S. investor-owned electricity and natural gas company with regulated operations in eight Midwestern and Western states.

Frank is responsible for advancing Xcel Energy's public policy and ensuring the company's positions create value for the corporation, its customers and its many stakeholders. His organization designs and advocates for federal and state policies associated with a number of energy-related issues, including the environment, climate change, renewable energy, utility regulation, energy markets, tax issues, transmission and innovative technologies. It also represents the company before U.S. Congress and with various federal agencies.

Frank has been with Xcel Energy for almost 22 years. Previously, Frank was the company's vice president of Policy and Strategy. He also served as vice president of Environmental Policy and Services where he was responsible for the company's environmental compliance and policy. Frank started his career at Xcel Energy as assistant general counsel, representing the company on environmental matters.

He is a graduate of the University of Colorado, with degrees in Chemical Engineering and English. He earned his law degree from Stanford University. Prior to joining the utility industry, Frank was an associate at Holland & Hart in Denver and in-house environmental counsel at The Gates Corporation.
