Todd Sandford

Todd Sandford is the Senior Vice President of Distributed Energy in North America for Centrica. Todd is responsible for driving Centrica's growth in non-commodity offerings including distributed energy, energy efficiency, demand response, and data and analytics.

Todd has been with Centrica since 2003, during which time he has held senior roles in customer operations, finance, sales, small business and energy services. Most of his time has been in North America with Centrica's Direct Energy business but Todd did spend three years with in the UK with Centrica's British Gas Business (BGB) group. In the UK, Todd ran sales for BGB's Industrial and Commercial customer segment and oversaw its Energy Services Business.

Prior to joining Direct Energy, Todd held a senior operations role for The NewPower Company (a retail energy company), spent six years as a management consultant with both Arthur Andersen and Stone & Webster and started his career with Public Service Electric & Gas Company.

Todd earned a BS in Civil Engineering from Lehigh University and an MBA in Finance from Rutgers University.

Todd lives with his wife and two daughters in Pittsburgh, PA.
