Mark A. Engels
Senior Enterprise Security Advisor
Dominion Energy

Mark Engels is a Senior Enterprise Security Advisor at Dominion Energy and has been with the company 39 years.

Mr. Engels is involved with Dominion Energy's security and compliance programs and represents the company's position with outside entities such as the Department of Energy, Department of Homeland Security, Department of Defense, North American Electric Reliability Corporation (NERC), Federal Bureau of Investigation (FBI); Transportation Security Administration (TSA), General Accountability Office (GAO) and Federal Energy Regulatory Commission (FERC).

Mr. Engels is:

- a member of the Department of Homeland Security's Classified Intelligence Forum representing the Energy, Nuclear, Dams and Transportation (Pipeline) sectors;
- a member of the American Gas Association (AGA) Cybersecurity Strategy Task Force and the Natural Gas Security committee;
- a member of the Interstate Natural Gas Association of America (INGAA) cyber/physical committee;
- a member of the Edison Electric Institute (EEI) security committee;
- a member of the Nuclear Cyber Security Joint Subcommittee;
- a member of the advisory team for Idaho National Laboratory's CyberCore Integration Center;
- a peer reviewer for the Department of Energy's Cybersecurity for Energy Deliver Systems (CEDS) program (2012 – 2017);
- a member of the Industry Advisory Board for FoxGuard Solution's Operational Technology Patch Management Program;
- the former chair of the NERC Cyber Attack Task Force (CAFT) and Attack Tree Task Force (ATTF).

Mr. Engels holds a Bachelor of Science degree in Computer Science from Old Dominion University, a Masters in Business Administration from the University of Richmond, a Masters Certificate in Project Management from George Washington University and has completed his Computer Information System Security Professional (CISSP) certification.
