## TRISTAN VANCE

---

### EXPERIENCE

#### **Director, Indiana Office of Energy Development**

**2012 – Present**

- Launched 48 public private partnerships to introduce new technology in areas such as electric generation, energy efficiency, biofuels, and school transportation.
- Over 1.3 gigawatts of electric power generation installed or conserved, more than 1.54 million gallons of transportation fuel conserved, and 64 new biofuel blender pumps with sales of exceeding 63 million gallons a year.
- Oversee planning and coordination for transportation and home heating emergencies. Lead agency for creating the Energy Support Function Annex to Indiana's Comprehensive Emergency Management Plan.
- Natural gas and Propane projects have received recognition as national models from the Associated Press, New York Times, The Economist, USA Today, Washington Times, Fortune, NPR, and numerous national trade publications.

#### **Chief Energy Officer, State of Indiana**

**2013 – Present**

- Facilitate and coordinate energy programs and policy across Indiana state government agencies.
- Leverage state funding and resources in agriculture, energy, security, environment, economic development, infrastructure, and regulatory agencies to implement state policy, programs, and public-private partnerships.
- Represent the State of Indiana on federal issues related to the energy sector.

#### **Executive Director, Center for Coal Technology Research, Purdue University**

**2014 – Present**

- Oversight of staff involved in development and implementation of economically and environmentally sound strategic clean coal technologies.
- Funding scoping studies, industrial, and commercial applications, long-term development projects, technology designs, demonstration projects, coal research forums, and educational materials.

#### **Program Director, Government Efficiency and Financial Planning**

**2007 – 2012**

- Oversight of government restructuring, program efficiency, and financial planning initiatives for Economic Development, Infrastructure, and Regulatory agencies, approximately 20% of Indiana state government.

- Researched and implemented rightsizing of various agency staffing, vehicles, salaries, operational roles, and budget issues.
- Helped create and manage a system of statewide performance management and metrics.

**Special Assistant to the Lieutenant Governor, Office of the Lieutenant Governor**

**2005 – 2006**

- Responsible for political, media, travel, scheduling, and constituent activities at public events.
- Coordinate with state agencies for information and follow up related to the Lieutenant Governor's programs and activities.
- Aide for legislative and policy issues during State Legislative Sessions.

**Advance and Assistant for Lieutenant Governor Candidate, Mitch Daniels for Governor Campaign**

**2004**

- Researched and coordinated political, press, constituent, and event details at public and private functions for the Lieutenant Governor candidate.
- Responsible for managing all logistical considerations, managing a schedule with up to 16 events a day, and relationships with officials, donors, and supporters.

**RELATED EXPERIENCE**

**Board Member, National Association of State Energy Officials  
Co-Chair, Presidential Transition Task Force**

**2015 – Present  
2016 – 2018**

- NASEO is the only national non-profit association for the governor-designated energy officials from each of the 56 states and territories.

**Board Member, Energy Programs Consortium**

**2016 – Present**

- EPC serves to foster coordination and cooperation among state and federal agencies in the areas of energy policy and program development.

**Board Member, Indiana Society of Mines and Reclamation**

**2012 – Present**

- ISMR is a professional alliance providing opportunity for education and communication of technical advances in mining and reclamation.

**Board Member, Indiana Recycling Market Development Board**

**2012 – 2017**

- The Board works to approve funding for business projects involving the creation of new products and new markets for recycled materials.

**Board Member, Indiana Air Pollution Control Board**

**2012 – 2013**

**Board Member, Indiana Water Pollution Control Board**

**2012 – 2013**

**Board Member, Indiana Solid and Hazardous Waste Control Board**

**2012 – 2013**
