

Committee on Energy and Commerce
U.S. House of Representatives
Witness Disclosure Requirement - "Truth in Testimony"
Required by House Rule XI, Clause 2(g)(5)

1. Your Name:	Kevin Kennedy	
2. Your Title:	Deputy Director, U.S. Climate Initiative	
3. The Entity(ies) You are Representing:	World Resources Institute	
4. Are you testifying on behalf of the Federal, or a State or local government entity?	Yes	No X
5. Please list any Federal grants or contracts, or contracts or payments originating with a foreign government, that you or the entity(ies) you represent have received on or after January 1, 2015. Only grants, contracts, or payments related to the subject matter of the hearing must be listed.		
<p>Since January 2015, World Resources Institute (WRI) has not received any Federal grants or contracts, or contracts or payments originating with a foreign government, directly related my testimony for the hearing on "The Shifting Geopolitics of Oil and Gas." However, during the course of the hearing, issues may arise that are indirectly related to matters for which WRI receives funding from foreign governments. A full list of WRI donors and funders providing support in excess of \$1,000 can be found in our annual reports. A copy of WRI's 2017 Annual Report can be found at http://wriorg.s3.amazonaws.com/s3fs-public/uploads/wri-2017-annual-report.pdf.</p>		
6. Please attach your curriculum vitae to your completed disclosure form.

KEVIN M. KENNEDY, Ph.D.
World Resources Institute

SUMMARY

- Deputy director of the U.S. Climate Initiative at the World Resources Institute (WRI), providing project management and research oversight for WRI's domestic climate work.
- Strong climate change and energy policy experience, including managing the development of the California cap-and-trade program and other AB 32 measures, energy policy development, power plant permitting, and environmental review.
- More than ten years experience in California state service.
- Ph.D. (Energy and Resources Group at U.C. Berkeley) with an emphasis on integration of technical information and public participation in the formation and implementation of environmental policy.
