Mr. Andrew J. Black
President and CEO
Association of Oil Pipelines
900 17th Street, NW, Suite 600
Washington, DC 20006

Dear Mr. Black:

Thank you for appearing before the Subcommittee on Energy on Wednesday, May 1, 2019, at the hearing entitled, "The State of Pipeline Safety and Security in America." We appreciate the time and effort you gave as a witness before the Subcommittee.

Pursuant to Rule 3 of the Committee on Energy and Commerce, members are permitted to submit additional questions to the witnesses for their responses, which will be included in the hearing record. Attached is a question directed to you from a member of the Committee. In preparing your answer to this question, please address your response to the member who has submitted the question using the Word document provided with this letter.

To facilitate the publication of the hearing record, please submit your response to this question by no later than the close of business on Thursday, June 27, 2019. As previously noted, this transmittal letter and your response, as well as the responses from the other witnesses appearing at the hearing, will all be included in the hearing record. Your written response should be transmitted by email in the Word document provided with this letter to Omar Guzman-Toro, Policy Analyst with the Committee, at Omar@mail.house.gov. You do not need to send a paper copy of your responses to the Committee. Using the Word document provided for submitting your response will also help maintain the proper format for incorporating your answer into the hearing record.

Mr. Andrew J. Black
President and CEO, Association of Oil Pipelines

Hearing on
“The State of Pipeline Safety and Security in America”
May 1, 2019

Mr. Andrew J. Black, President and CEO
Association of Oil Pipelines

The Honorable Cathy McMorris Rodgers (R-WA)

1. I know your pipeline companies are serious about improving their safety records and incorporating lessons-learned from prior accidents.
 - a. Can you provide some recent examples of lessons-learned, or recommendations made by PHMSA or NTSB that have been implemented?
