

Kenneth Michael (Mike) Goff

Acting Under Secretary for Infrastructure

U.S. Department of Energy

Mike Goff is the new Acting Under Secretary for Infrastructure at the U.S. Department of Energy. He is also serving as the Acting Assistant Secretary and is the Principal Deputy Assistant Secretary for DOE's Office of Nuclear Energy (DOE-NE). Prior to joining DOE-NE as the PDAS, Mike was on assignment from Idaho National Laboratory (INL) to DOE-NE, where he was serving his third term as Senior Advisor to the Assistant Secretary. Mike also served a multi-year assignment as the Assistant Director for Nuclear Energy/Senior Policy Advisor in the Office of Science and Technology Policy (OSTP) in the Executive Office of the President. Mike has held several management and research positions over more than thirty years at INL and Argonne National Laboratory.

Mike has more than 70 publications related to the nuclear fuel cycle including separations technology, high-level waste development, and safeguards. Mike has a Bachelor of Nuclear Engineering (1986), a MSNE (1988), and a PhD in Nuclear Engineering (1991), all from Georgia Tech.
