

*David L. Morenoff*  
*Acting General Counsel, Office of the General Counsel*  
*Federal Energy Regulatory Commission*

David Morenoff is the Acting General Counsel of the Federal Energy Regulatory Commission. The Office of the General Counsel provides timely counsel and legal services to the Commission and Commission staff.

David has served as the Commission's Deputy General Counsel or in other senior positions in the Office of the General Counsel since 2010. David previously served at the Commission as a special counsel in the Office of the General Counsel and as a legal advisor to a Commissioner. Before coming to the Commission, David worked on electric industry matters in private practice in Washington, D.C. and a legal assistant on energy and other issues for a U.S. Senator. David graduated cum laude from Harvard Law School, having graduated magna cum laude, with honors in history, from Brown University.
