

Greg R. White

Profile

An experienced utility regulator with more than 40 years in energy and utility regulation and policy, along with public-sector and non-profit administration. Recently retired Executive Director of the National Association of Regulatory Utility Commissioners, and former State Public Utility Commissioner. Currently providing advice and consulting services on utility and regulatory policy matters, while volunteering on numerous projects and initiatives.

Experience

Principal - G.R.White Consulting, Rockville, Maryland - 2025-present

Providing consultation and advisory services on matters pertaining to energy and utility regulatory policy.

Executive Director - National Association of Regulatory Utility Commissioners, Washington, DC - 2015-2024

Oversaw the organization that represents the nations' state utility regulators, directing educational and training programs and implementing policies, while promoting the associations interests in Washington, DC. Served on and supported the Board of Directors and Executive Committee. Directed the Senior Management team.

Executive Director - National Regulatory Research Institute, Washington, DC - 2017-2023

Directed the institute and its research team providing academic-level research on timely and pertinent utility regulatory issues. Oversaw the merging of NRRI into NARUC. Served on and supported the Board of Directors.

Commissioner - Michigan Public Service Commission, Lansing, Michigan - 2010-2015

Appointed by Michigan Governor Jennifer Granholm. Exercised economic regulation over investor-owned and cooperative electric, gas, and water utilities. Responsible for ensuring Michigan's consumers receive essential regulated services in a safe, affordable, and reliable manner.

Advisor to Director - Michigan Department of Energy, Labor, and Economic Growth, Lansing, Michigan - 2009

Multiple roles as advisor on energy policy and utility regulation to the Department Director, Michigan Public Service Commission, and Michigan Energy Office.

Associate Director - Institute of Public Utilities - Michigan State University, East Lansing, Michigan - 2008

Responsible for administration, program development, outreach, research, and instruction.

Liaison/Manager - State Legislative and Federal Affairs, Michigan Public Service Commission, Lansing, Michigan - 2003-2008

Oversaw state and federal relations, serving as liaison to the Michigan Legislature, U.S. Congress, and federal agencies, including the Federal Energy Regulatory Commission, U.S. DOE, and U.S. EPA.

Executive Advisor to Commissioners - Michigan Public Service Commission, Lansing, Michigan - 1997-2003

Served as executive policy advisor for three separate Commissioners.

Manager, Federal Relations - Michigan Public Service Commission, Lansing, Michigan - 1989-1996

Policy analyst and manager of matters involving the U.S. Congress and federal agencies, such as FERC, FCC, and U.S. DOE.

Various energy related positions at the Michigan Public Service Commission, Michigan Energy Administration, and Michigan Geological Survey, Lansing, Michigan - 1983-1989

Highlights
