

Seema Verma, MPH

Seema Verma is the President of SVC, Inc, a health consulting company serving multiple States and private clients. For over 15 years, Ms. Verma has worked extensively with state, local and federal government health agencies and private corporations on variety of policy and strategic projects involving Medicaid, insurance, and public health. Ms. Verma has worked with Governor's offices, State Medicaid agencies, State Health Departments and Departments of Insurance. Private clients include hospitals and technology vendors that serve State Medicaid programs. Ms. Verma served as a health policy advisor to the former Governor Mitch Daniels of Indiana, and is the architect of his Healthy Indiana Plan (HIP), the nation's first consumer directed Medicaid program. Ms. Verma led efforts to implement the program, including developing the operational and system design, negotiating managed care contracts, and Centers for Medicare and Medicaid waivers. Ms. Verma has also served as the Indiana Health Care Reform lead, and currently works with states as they prepare for implementation of the Affordable Care Act with Exchanges and Medicaid preparedness.

Prior to consulting, Ms. Verma served as Vice President of Planning for the Health & Hospital Corporation of Marion County and as a Director with the Association of State and Territorial Health Officials (ASTHO) in Washington D.C. Seema Verma received her Masters in Public Health, with concentration in policy and management from the Johns Hopkins School of Public Health, and her Bachelors in Life Sciences, from the University of Maryland, College Park. Ms. Verma is also a Guest Lecturer, Indiana University School of Public & Environmental Affairs and is a former Policy Fellow, National Association of Public Hospitals and participated on the Republican Governor's public policy committee on Medicaid reform.
