Mr. Zachary Lemnios  
Vice President, Research Strategy  
IBM  
600 14th Street, N.W., Suite 300  
Washington, D.C. 20005

Dear Mr. Lemnios:

Thank you for appearing before the Subcommittee on Health on Tuesday, November 19, 2013, to testify at the hearing entitled "Examining Federal Regulation of Mobile Medical Apps and Other Health Software."

Pursuant to the Rules of the Committee on Energy and Commerce, the hearing record remains open for ten business days to permit Members to submit additional questions for the record, which are attached. The format of your responses to these questions should be as follows: (1) the name of the Member whose question you are addressing, (2) the complete text of the question you are addressing in bold, and (3) your response to that question in plain text.

To facilitate the printing of the hearing record, please respond to these questions by the close of business on Wednesday, January 8, 2014. Your responses should be mailed to Sydne Harwick, Legislative Clerk, Committee on Energy and Commerce, 2125 Rayburn House Office Building, Washington, D.C. 20515 and e-mailed in Word format to [Sydne.Harwick@mail.house.gov](mailto:Sydne.Harwick@mail.house.gov).

Thank you again for your time and effort preparing and delivering testimony before the Subcommittee.

Sincerely,

  
Joseph R. Pitts  
Chairman  
Subcommittee on Health

cc: The Honorable Frank Pallone, Jr., Ranking Member, Subcommittee on Health

1. I appreciate hearing the impressive innovations you are partnering on with providers across the nation. Would you expand on how medical apps and electronic health records can help patients be more active in their own care and treatment decisions?

Thank you. I think this is a critical opportunity for patients to be more engaged in their care and raise health literacy.
