Mac McMillan
Chief Executive Officer; CynergisTek, Inc.

Mac McMillan is co-founder and CEO of CynergisTek, Inc., a top-ranked information security and privacy consulting firm. Founded in 2004 the company has had twelve straight years of growth ranking in the top 20% of the Inc. 5000 fastest growing privately held companies in America, 2015. He is a member of CHIME's AEHIS Advisory Board, Chair of the HIMSS Privacy & Security Policy Task Force and recognized as a HIMSS Fellow. McMillan brings nearly 40 years of combined intelligence, security countermeasures and consulting experience from positions within the government and private sector and has worked in the healthcare industry since his departure from the federal government in 2000.

McMillan is a thought leader in compliance, security and privacy issues in healthcare, contributing to several industry trade publications, blogs and newsletters. He was recognized in *Becker's Hospital Review's* lists of influential healthcare IT leaders by both its writers and readers in 2015, and was named one of the top ten health information security influencers of 2013. He currently sits on several other advisory boards, including HIT Exchange HealthTech Industry, HCPro Editorial Advisory Board and HealthCare's Most Wired™ Survey Advisory Board. McMillan has contributed to more than 300 articles and postings in Healthcare IT magazines, blogs and other industry publications. He also presents regularly at industry association events, such as CHIME, HCCA, HIMSS and AHIMA, and was a contributing author to the HIMSS book, "Information Security in Healthcare: Managing Risk."

McMillan served as Chief of Security for two separate Defense Agencies, and sat on numerous interagency intelligence and security countermeasures committees while serving in the U.S. government. He holds a Master of Arts degree in National Security and Strategic Studies from the U.S. Naval War College and a Bachelor of Science degree in Education from Texas A&M University. He is a graduate of the Senior Officials in National Security program at the JF Kennedy School of Government at Harvard University and a 1993/4 Excellence in Government Fellow. He is the recipient of both the DoD medal for Meritorious and Exceptional Meritorious Service.
