

Committee on Energy and Commerce
U.S. House of Representatives
Witness Disclosure Requirement - "Truth in Testimony"
Required by House Rule XI, Clause 2(g)(5)

1. Your Name: George F. Van Hare, MD		
2. Your Title: President		
3. The Entity(ies) You are Representing: Heart Rhythm Society		
4. Are you testifying on behalf of the Federal, or a State or local government entity?	Yes	No X
5. Please list any Federal grants or contracts, or contracts or payments originating with a foreign government, that you or the entity(ies) you represent have received on or after January 1, 2015. Only grants, contracts, or payments related to the subject matter of the hearing must be listed. NONE		
6. Please attach your curriculum vitae to your completed disclosure form.		

Signature: _____

Date: _____

Curriculum Vitae

George F. Van Hare, M.D.

Date: 06/15/2017

Personal Information

Birthplace: Kansas City, MO
Citizenship: USA

Address and Telephone Numbers

University: Washington University in St. Louis
School of Medicine
Department of Pediatrics
Cardiology
660 S. Euclid Ave.
St. Louis, MO 63110
Campus Box 8116

Phone: [REDACTED]
Fax: [REDACTED]
email: [REDACTED]

Present Positions

Chief, Division of Pediatric Cardiology
The Louis Larrick Ward Professor of Pediatrics
Researcher, Patient Oriented Research Unit

Education and Training

1980 MD, Medicine, University of Connecticut, , Farmington, Connecticut
1980 BS, *Magna cum laude*, Chemistry, Bates College, Lewiston , Maine
1980 - 1983 Resident in Pediatrics, Case Western Reserve University, Cleveland, OH
1983 - 1984 Chief Resident in Pediatrics, Case Western Reserve University, Cleveland, OH
1984 - 1986 Fellow, General Academic Pediatrics, Cleveland Metropolitan General Hospital, Cleveland, OH
1986 - 1989 Fellow, Pediatric Cardiology, University of California, San Francisco, CA
1988 - 1988 Fellow, Adult Electrophysiology, University of California, San Francisco, CA
1989 - 1989 Visiting Fellow, Pediatric Electrophysiology, Baylor College of Medicine, Houston, TX
2008 - 2008 Leadership Development for Physicians in Academic Health Centers, Harvard University, Boston, MA

Academic Positions and Employment

1983 - 1986 Instructor of Pediatrics, Case Western Reserve University School of Medicine, Cleveland, Ohio
1989 - 1993 Assistant Professor in Residence, Department of Pediatrics, University of California San Francisco School of Medicine, San Francisco, California
1994 - 1998 Associate Professor of Medicine (Secondary appointment), Case Western Reserve University School of Medicine, Cleveland, Ohio
1994 - 1998 Associate Professor of Pediatrics, Case Western Reserve University School of Medicine, Cleveland, Ohio
1998 - 2004 Associate Professor of Pediatrics, Medical Center Professoriate, Stanford University, Stanford, California
1998 - 2004 Associate Clinical Professor of Pediatrics, University of California San Francisco School of Medicine, San Francisco, California

2004 - 2008	Professor of Pediatrics, Medical Center Professoriate, Stanford University School of Medicine, Stanford, California
2004 - 2008	Clinical Professor of Pediatrics, University of California San Francisco , San Francisco, California
2008 - Pres	Chief, Division of Pediatric Cardiology, Washington University in St. Louis, St. Louis, MO
2008 - Pres	The Louis Larrick Ward Professor of Pediatrics, Washington University in St. Louis, St. Louis, MO

Appointments and Committees

National Appointments

2005 - 2007	Vice President, Pediatric and Congenital Electrophysiology Society
2007 - 2009	President, Pediatric and Congenital Electrophysiology Society
2012 - 2014	Treasurer and Secretary, Heart Rhythm Society
2014 - 2015	Second Vice-President, Heart Rhythm Society
2015 - 2016	First Vice President, Heart Rhythm Society
2016 - 2017	President-elect, Heart Rhythm Society
2017 - Pres	President, Heart Rhythm Society

University Affiliations

1990 - 1994	University of California San Francisco (resigned): Attending Staff.
1994 - 1994	Conscious Sedation Task Force (Ad hoc), Department of Pediatrics, Case Western Reserve University
1994 - 1995	Task Force on Surgery for Congenital heart Disease: Preadmission Testing, Critical Care, Operation, Discharge Planning sections (Ad hoc), Department of Pediatrics, Case Western Reserve University
1995 - 1995	Committee on Confidentiality Issues, Department of Pediatrics (Ad hoc), Department of Pediatrics, Case Western Reserve University
1995 - 1995	Committee on Departmental Computer Network, Department of Pediatrics (Ad hoc), Department of Pediatrics, Case Western Reserve University
1996 - 1996	Committee on Monitors (ad hoc), Department of Pediatrics, Case Western Reserve University
1996 - 1998	Institutional Review Board, Committee on Human Research (Standing), Department of Pediatrics, Case Western Reserve University
1997 - 1998	Academic Planning Committee (Standing), Department of Pediatrics, Case Western Reserve University
1998 - 1999	Departmental Representative, Biomedical Engineering Initiative, Stanford University
1998 - 2008	University of California San Francisco, Medical Staff (resigned)
2000 - 2002	Member, Admissions Panel, Stanford University School of Medicine
2000 - 2008	Director, Pediatric Electrophysiology Advanced Fellowship Program at UCSF and Stanford
2000 - 2008	Director, ACGME Subspecialty Residency Program in Pediatric Cardiology, Stanford University Program/Stanford University Hospital
2008 - Pres	Chief, Division of Pediatric Cardiology, Washington University School of Medicine
2010 - Pres	Washington University School of Medicine Department of Pediatrics Committee on Appointments and Promotion
2010 - 2014	Washington University School of Medicine Department of Pediatrics Faculty Coordinator, Fellows' Forum

Hospital Affiliations

1984 - 1986	Cleveland Metropolitan General Hospital, (resigned): Active Staff
1984 - 1986	University Hospitals of Cleveland, (resigned): Full Temporary Privileges
1989 - 1991	Mount Zion Hospital and Medical Center (resigned): Active Attending Staff
1989 - 1994	San Francisco General Hospital (resigned): Active Staff

1989 - 1994 San Joaquin General Hospital (resigned): Consulting Staff

1994 - 1998 Director, Pediatric Arrhythmia Service, Rainbow Babies and Children's Hospital, Medical Director, Horvitz Tower 6 (including Pediatric Cardiac Telemetry Unit)

1994 - 1998 Morbidity & Mortality Committee (Standing), Rainbow Babies and Children's Hospital, Cleveland

1994 - 1998 University Hospitals of Cleveland, (resigned): Active Staff

1998 - 2000 Medical Director, Pediatric Arrhythmia Center, Lucile Packard Children's Health Services, UCSF Stanford Health Care, Stanford and San Francisco, CA

1998 - 1998 Southwest General Hospital, Middleburg Heights, OH, (resigned): Medical Staff

1998 - 2009 Lucile Packard Children's Hospital, Stanford, CA: Medical Staff (resigned)

1998 - 2009 Stanford Health Services, Stanford, CA, Medical Staff (resigned)

1999 - 2008 Children's Hospital, Central California, Madera, CA, Medical Staff (resigned)

2001 - 2003 Memorial Medical Center, Modesto, CA 7/2001 - 3/2003: Medical Staff (resigned)

2004 - 2008 Chair, Innovations in Patient Care Grant Program, Lucile Packard Children's Hospital

2005 - 2011 Kaiser Foundation Hospitals, Hawaii Region (Affiliated Care Staff)(resigned)

2005 - 2011 Straub Clinic and Hospital, Hawaii Pacific Health, Honolulu, HI, Medical Staff (resigned)

2008 - Pres St. Louis Children's Hospital, St. Louis, MO Medical Staff (active)

2008 - Pres Barnes Jewish Hospital, St. Louis, MO Medical Staff (Active)

2009 - 2015 Barnes Jewish West County Hospital, Associate Staff (resigned)

2011 - Pres Missouri Baptist Medical Center, St Louis, MO Consulting Staff

2013 - Pres University Hospitals and Clinics Affiliate Medical Staff, Department of Child Health - Pediatric Cardiology, Columbia, MO

Scientific Advisory Boards

1996 - 1996 NIH Special Emphasis Panel, "Cardiac Arrhythmias in Children", August 29, 1996, NHLBI, Bethesda, MD

1998 - 2000 North American Society for Pediatric Gastroenterology and Nutrition, national task force on cisapride.

2000 - 2000 NASPE Expert Consensus Conference on Catheter Ablation in Children, Adolescents, and Patients with Congenital Heart Disease (Conference Co-Chair)

2010 - 2010 Grant reviewer, Single Ventricle Reconstruction Extension (SVR II) Study: Holter Core Laboratory, New England Research Institute/NHLBI

2010 - 2014 NHLBI Loan Repayment Program: Grant reviewer

2014 - 2014 Grant Reviewer, Pediatric Heart Network, Pediatric ECG Database Project, New England Research Institute/NHLBI

Thesis Committees (*Chair)

		<u>Advisor</u>
1997 - 1997	Ping Jia, Master's Thesis, Department of Biomedical Engineering, Case Western Reserve University	George F. Van Hare, MD
2009 - 2009	Subham Ghosh, Ph.D. Thesis Committee, Department of Biomedical Engineering, Washington University	Yoram Rudy, Ph.D.
2013 - Pres	Smiruthi Ramasubramanian	Yoram Rudy, Ph.D.

Scholarship Oversight Committees

2011 - 2014 Matthew Ambrose, MD (Advisor: Mark C. Johnson, MD)

Licensure and Certifications

1981 National Board of Medical Examiners, #229416

1986 - Pres American Board of Pediatrics, #34706

1986 - 2012 Certificate #128890 Fluoroscopy Supervisor, Radiologic Health Branch exp 2/29/2012

1986 - 2019	MO DEA #AH1389065
1988 - Pres	American Board of Pediatrics, Pediatric Cardiology Subsection recertification (participating in Maintenance of Certification)
2005 - 2015	International Board of Heart Rhythm Examiners (IBHRE) Pacing (MD)
2008 - 2017	MO BNDD #1269553611
2008 - Pres	Medicare UPIN #E71269
2008 - Pres	National Provider Identification #1790707735
2008 - 2018	MO Missouri State Board of Registration for the Healing Arts #2008015875
2010 - 2017	IL Illinois Division of Professional Regulation #036.125575
2013 - 2023	International Board of Heart Rhythm Examiners (IBHRE) Physician Electrophysiology (Pediatric-Founder)
2015 - Pres	American Board of Internal Medicine: Adult Congenital Heart Disease

Honors and Awards

1973	Charles A. Dana Scholar, Bates College
1980	Phi Beta Kappa
1988	Postdoctoral Award for Excellence in Teaching, Department of Pediatrics, UCSF
1991	Fellow of the American College of Cardiology (FACC)
1999	Fellow of the American Academy of Pediatrics (FAAP)
2006	Fellow of the Heart Rhythm Society (FHRS)

Editorial Responsibilities

Editorial Boards

1996 - 2001	NASPETapes, Editorial Board
1997 - 2010	Journal of Cardiovascular Electrophysiology, Editorial Board
2000 - 2000	Pediatric Cardiology, Associate Editor
2001 - 2008	Journal of the American College of Cardiology, Editorial Board
2002 - Pres	Turkish Journal of Arrhythmia, Pacing and Electrophysiology, Editorial Board
2003 - Pres	Heart Rhythm (Official Journal of the Heart Rhythm Society), Editorial Board
2005 - Pres	Congenital Heart Disease, Editorial Board
2011 - Pres	Section Editor (Pediatric Electrophysiology)Journal of Innovations in Cardiac Rhythm Management

Editorial Reviews

1989 - Pres	PACE: Pacing and Clinical Electrophysiology, Manuscript reviewer
1990 - Pres	Circulation, Manuscript reviewer
1991 - Pres	Journal of Electrocardiology, Manuscript reviewer
1992 - Pres	Journal of the American College of Cardiology, Manuscript reviewer
1993 - Pres	Pediatric Research, Manuscript reviewer
1996 - Pres	American Journal of Cardiology, Manuscript reviewer
1996 - Pres	Journal of Cardiovascular Electrophysiology, Manuscript reviewer
1997 - Pres	American Heart Journal, Manuscript reviewer
1997 - Pres	European Heart Journal, Manuscript reviewer
1997 - Pres	Journal of Pediatrics, Manuscript reviewer
1997 - Pres	Pediatric Cardiology, Manuscript reviewer

Professional Societies and Organizations

1986 - Pres American College of Cardiology (Member #603674)
 1989 - Pres Pediatric and Congenital Electrophysiology Society
 1989 - 1993 Bay Area Electrophysiology Society
 1990 - Pres Council on Cardiovascular Disease in the Young, American Heart Association
 1990 - 2008 Western Society for Pediatric Research
 1991 - 1993 California Pediatric Cardiology Society
 1992 - Pres Heart Rhythm Society (Member #1844)
 1995 - 1998 Cardiac Bioelectricity Research and Training Center, CWRU
 1995 - 2007 The Society for Pediatric Research
 1997 - Pres Cardiac Electrophysiology Society (Member #1636)
 1998 - 2008 Western Society of Pediatric Cardiology (renamed)
 1999 - 2013 American Academy of Pediatrics
 2000 - 2008 Society of Pediatric Cardiology Training Program Directors
 2001 - Pres International Society for Adult Congenital Cardiac Disease
 2002 - Pres International Society for Computerized Electrocardiology
 2008 - Pres Cardiac Bioelectricity and Arrhythmia Center, WUSTL
 2008 - Pres Midwestern Pediatric Cardiology Society
 2008 - 2009 American Pediatric Society
 2016 - Pres European Heart Rhythm Association, European Society of Cardiology

Major Invited Professorships and Lectures

1985 "Branhamella catarrhalis: An indirect or causal pathogen?" 11th World Congress of Chemotherapy, Kyoto, 1985 (abstract presentation)
 1985 "Natural history of ventricular septal defects" Society for Pediatric Research/American Pediatric Society Meeting, San Francisco (poster)
 1986 "Twenty-five year experience with ventricular septal defect in infants and children" American Academy of Pediatrics, Pediatric Cardiology Section Meeting, Washington, DC (abstract presentation)
 1988 "Color Doppler flow mapping in the ultrasound diagnosis of total anomalous pulmonary venous connection" Society of Pediatric Radiology Meeting, San Diego (abstract presentation)
 1989 "A comparison of fetal and newborn left ventricular response to increasing afterload in lambs" Society for Pediatric Research/American Pediatric Society Meeting (abstract presentation)
 1989 "Cardiac Arrhythmias and Syncope", Pediatric Grand Rounds, Marin General Hospital
 1989 "Weak and Dizzy: the Evaluation of the Child with Syncope", Pediatric Grand Rounds, UCSF
 1989 Stabilization and Management of the Critically Ill Child, San Francisco, sponsored by UCSF. "Management of Cardiac Arrhythmias"
 1990 "Dysrhythmias", Pediatric Grand Rounds, U.S. Naval Hospital, Oakland, CA
 1990 "Interventional Electrophysiology", Pediatric Grand Rounds, UCSF
 1990 "Management of Arrhythmias in Children", Pediatric Grand Rounds, Children's Hospital of San Francisco
 1990 "Management of Cardiac Arrhythmias in Children", Pediatric Grand Rounds, Valley Medical Center, Fresno, CA,
 1990 "Pediatric Electrophysiology", Pediatric Grand Rounds, SF General Hospital
 1990 "Syncope and Arrhythmias in Children", Pediatric Grand Rounds, Santa Rosa Community Hospital
 1990 23rd Annual Advances and Controversies in Clinical Pediatrics, San Francisco, sponsored by UCSF. "SBE Precautions: are they necessary?"
 1990 Stabilization and Management of the Critically Ill Child, San Francisco, sponsored by UCSF. "Workshop on Cardiac Arrhythmias"

- 1991 "Catheter ablation of accessory pathways as preparation for congenital heart disease surgery", American Heart Association 64th Scientific Sessions, Anaheim 11/14 (abstract presentation)
- 1991 "Pediatric ablation techniques", 6th World Congress on Catheter Ablation, Washington, DC (invited lecture)
- 1991 "Pediatric Arrhythmias and Ablation Therapy", Pediatric Grand Rounds, Santa Clara Valley Medical Center
- 1991 "Pediatric Arrhythmias", Pediatric Grand rounds, Seton Medical Center
- 1991 "Percutaneous radiofrequency catheter ablation for supraventricular arrhythmias in children" American College of Cardiology 40th Annual Scientific Session, Atlanta, GA (abstract presentation)
- 1991 Advances in Heart Disease, San Francisco, sponsored by American College of Cardiology. "Pediatric Arrhythmias and their Management"
- 1991 Debates and Updates in Pediatric Emergency Medicine, San Francisco, sponsored by UCSF. "Cardiac Emergencies"
- 1991 Pediatric Critical Care Nursing, San Francisco, sponsored by Contemporary Forums. "Recognition and Management of Life-threatening Arrhythmias"
- 1991 Stabilization and Management of the Critically Ill Child, San Francisco, sponsored by UCSF. "Workshop on Cardiac Arrhythmias"
- 1992 "Catheter ablation for pediatric patients", Tenth Anniversary of Catheter Ablation: A Focus on Newer Concepts and Techniques, Chicago, sponsored by the North American Society of Pacing and Electrophysiology (invited lecture)
- 1992 "Update in Pediatric Arrhythmias", Pediatric Grand Rounds, SF General Hospital
- 1992 10th Annual Scientific Sessions for Cardiovascular Nursing, sponsored by AHA, San Francisco Chapter and American Association of Critical Care Nurses-San Francisco Chapter. "Electrophysiology Studies in Supraventricular Tachycardia and Ablation Therapy"
- 1992 New Directions in Clinical Cardiology, San Francisco, sponsored by Division of Cardiology, Department of Medicine, UCSF. "Radiofrequency ablation therapy for cardiac arrhythmias"
- 1993 "Update in Pediatric Electrophysiology", Pediatric Grand Rounds, UCSF
- 1993 Stabilization and Management of the Critically Ill Child, San Francisco, sponsored by UCSF. "Cardiac Arrhythmias"
- 1993 "Development of cardiac electrophysiologic behavior: Implications for arrhythmogenesis. California Sudden Infant Death Researcher's Meeting, Ontario, CA (invited lecture)
- 1993 "Intermediate term follow-up of radiofrequency ablation procedures in children - a 3 3/4 year experience" American Heart Association 66th Scientific Sessions, Atlanta, GA 11/10 (abstract presentation)
- 1994 "Interventional Electrophysiology", Pediatric Grand Rounds, CWRU
- 1994 Visiting Professor: C.S. Mott Children's Hospital, University of Michigan Medical Center, Ann Arbor, MI. Division of Pediatric Cardiology, March 30 - April 1.
- 1994 Visiting Professor: Eggleston Children's Hospital, Emory University Medical Center, Atlanta, Georgia, Division of Pediatric Cardiology, April 28-29.
- 1994 "Atrial tachyarrhythmias after the Senning or Mustard Procedure: Preliminary experience with concealed entrainment mapping and radiofrequency (RF) ablation "North American Society of Pacing and Electrophysiology, Nashville, TN, (abstract presentation)
- 1994 Visiting Professor: Children's Hospital of the King's Daughters, Division of Pediatric Cardiology, and Sentara Norfolk General Hospital, Division of Cardiology, Eastern Virginia Medical School, Norfolk, Virginia, June 6-8.
- 1994 "Atrial flutter" in "Expanding Indications for RF Ablation in Pediatric Patients", Postgraduate Seminar, American Heart Association 67th Scientific Sessions, Dallas, TX, 11/14, (invited lecture)
- 1994 "Catheter ablation in adults with arrhythmias following congenital heart disease surgery". annual Meeting, Ohio chapter, American College of Cardiology, (abstract presentation)

- 1995 "Interventional Electrophysiology", Pediatric Grand Rounds, MetroHealth Medical Center, Cleveland, OH
- 1995 "Preload/Afterload Interrelationships in Fetal and Newborn Ventricular Performance", Pediatric Research Conference, CWRU
- 1995 "Weak and Dizzy: The Evaluation of Syncope", Pediatric Grand Rounds, CWRU
- 1995 Visiting Professor: Texas Children's Hospital, Division of Pediatric Cardiology, Baylor College of Medicine, Houston, TX, April 24-25.
- 1995 "Pediatric Catheter Ablation for the Electrophysiologist", Course Faculty, Boston, MA, May 1-2, sponsored by Harvard Medical School.
- 1995 "Atrial flutter and fibrillation", in "Beyond accessory connections: Ablation of non-AVRT arrhythmias in pediatric patients", 16th Annual Scientific Sessions, North American Society of Pacing and Electrophysiology, 5/4 Boston, (invited lecture)
- 1995 Visiting Professor: Children's Medical Center/University of Texas Southwestern Medical Center at Dallas, Division of Pediatric Cardiology, Dallas, TX, September 14.
- 1996 "Pediatric Electrophysiology and Pacing: Tidbits", Central Ohio Electrophysiology Society, Columbus, OH
- 1996 "Weak and Dizzy- The Evaluation of Syncope", Pediatric Grand Rounds, MetroHealth Medical Center, Cleveland, OH, 1/11
- 1996 "Atrial Tachycardia in Adults and Children Following Surgery for Congenital Heart Disease", Cardiology Grand Rounds, CWRU, Department of Medicine, 2/14
- 1996 "Pediatric problems and opportunities with radiofrequency ablation", Meet the Experts Symposium, 45th Annual Scientific Session, American College of Cardiology, Orlando, FL 3/25, (invited lecture)
- 1996 "Pediatric Interventional Electrophysiology," Course Faculty, Seattle, WA, May 13-14 (6 lectures), sponsored by Harvard Medical School and Futura Media Services, ACCME Accredited Course
- 1996 "Atrial flutter after surgery for congenital heart disease", Core Curriculum, 17 Annual Scientific Session of the North American Society of Pacing and Electrophysiology, Seattle, 5/17, (invited lecture)
- 1996 "Catheter ablation of arrhythmias after surgery for congenital heart disease", taped interview for NASPETapes Educations Series, Seattle, 5/17
- 1996 "Catheter Ablation in Children", CWRU, Cardiac Bioelectricity Research and Training Center Retreat, 5/31
- 1996 "Advanced cardiac mapping: Atrial reentry". 23rd International Congress of Electrocardiology, Cleveland, OH 8/1 (invited lecture)
- 1996 "Atrial flutter: Therapy revisited". 9th Annual Heartbeats Fast and Slow, North East Ohio Society of Pacing and Electrophysiology, 9/11, (invited lecture)
- 1996 Workshop: "Catheter ablation therapy" Fourth Annual Heartbeats Fast and Slow, North East Ohio Society of Pacing and Electrophysiology, 9/11, (invited lecture)
- 1996 "How to manage atrial tachycardia following the Fontan Procedure". How-to Session #23, 69th Scientific Sessions, American Heart Association, New Orleans, LA, 11/13, (invited lecture)
- 1996 "Advanced pediatric interventional electrophysiology", 1st National congress of Pediatric Cardiology, Ankara, Turkey, 11/15 (invited lecture)
- 1996 Visiting Professor: Hacettepe University/Ihsan Dogramaci Children's Hospital, Division of Pediatric Cardiology, Ankara, Turkey, November 15-18.
- 1997 "The Evaluation of the Child with Syncope", Grand Rounds, Fairview General Hospital, Cleveland, OH, 1/17
- 1997 "Pediatric Arrhythmias, Electrophysiology and Pacing", Course Faculty, Heart House, Bethesda, MD, January 27-29 (2 lectures, 4 workshops), Gillett PC, Garson A, program directors, sponsored by the American College of Cardiology, ADDME Accredited Course
- 1997 "The Long QT Syndromes", Grand Rounds, CWRU Department of Genetics, 2/7

- 1997 "Radiofrequency ablation and devices for managing arrhythmias in the pediatric population". Meet the Experts Session, 46th Annual Scientific Sessions, American College of Cardiology, Anaheim, CA, 3/19 (invited lecture)
- 1997 "Electrical-anatomic correlation between typical atrial flutter and intra-atrial reentry following atrial surgery". International Society for Computerized Electrocardiology, 21st annual Conference, Palm Coast, FL (session chair, abstract presentation)
- 1997 "Catheter ablation in patients with congenital heart disease" Clinical Tutorial, 18th Annual Scientific Sessions, North American Society of Pacing and Electrophysiology, New Orleans, LA 5/8 (invited lecture)
- 1997 "RF ablation of accessory pathways associated with congenital heart disease". Arrhythmias from Neonate to Adult, Groningen, The Netherlands, 8/21 (invited lecture)
- 1997 University of Groningen/Beatrix Children's Hospital, Groningen, The Netherlands, August 29.
- 1997 "Challenges in the ablation of supraventricular tachycardia. 10th Annual Heartbeats Fast and Slow North East Ohio Society of Pacing and Electrophysiology, Cleveland, OH, 9/10 (workshop)
- 1997 Visiting Professor: University of Toronto, Toronto Hospital/Toronto Congenital Cardiac Centre for Adults, Toronto, Ontario, Canada, September 24-26.
- 1997 "Catheter Ablation in Congenital Heart Disease", Toronto Congenital Cardiac Centre for Adults, The Toronto Hospital, Toronto, Ontario, Canada, 9/26
- 1997 "Atrial re-entry tachycardia in the late survivors of congenital heart disease surgery: Basis for re-entry - clinical studies", Cardiovascular Seminar, 70th Scientific Sessions, American Heart Association, Orland, FL, 11/9 (invited lecture)
- 1997 "Supraventricular Tachycardia for Cardiologists", Cardiology Grand Rounds, CWRU Department of Medicine, 12/3
- 1998 "Stabilization and Management of the Critically Ill Child", San Francisco, sponsored by UCSF, "Management of Life-threatening Arrhythmias"
- 1998 "Atrial flutter in the Fontan Patient", Fireside Panel, 47th Annual Scientific Session, American College of Cardiology, Atlanta, GA, 3/31 (invited lecture, session chair)
- 1998 "Post-operative arrhythmias" Luncheon Panel, 47th Annual Scientific Session, American College of Cardiology, Atlanta, GA, 3/31 (invited lecture)
- 1998 "ECG of the week - Greatest hits" lecture, 25th Anniversary, Ohio Doctors Interested in Congenital Hearts (ODICH), Cleveland, OH, 5/15 (invited lecture, session moderator)
- 1998 "Atrial Tachycardia" Cardiology Grand Rounds, Department of Medicine, MetroHealth Medical Center, Cleveland, OH, 6/5
- 1998 "Weak and Dizzy - the Evaluation of Syncope", Grand Rounds, Department of Pediatrics, Stanford University, 10/9
- 1999 "Current Concepts in Pediatric Critical Care", San Francisco, sponsored by UCSF
- 1999 Hosier Visiting Professor, The Ohio State University/Columbus Children's Hospital, January 20-21.
- 1999 "Indications for radiofrequency ablation for supraventricular arrhythmias" Symposium, 48th Annual scientific Session, American College of Cardiology, New Orleans, LA, 3/10 (invited lecture)
- 1999 "Management of post-operative arrhythmias in congenital heart patients in the ablation era: Post-operative ventricular tachycardia," Mini-Course, 20th Ann Scientific Sessions, North American Soc of Pacing and Electrophysiology, Toronto (invited lecture)
- 1999 "Radiofrequency ablation of incisional atrial flutter," Clinical Tutorial, 20th Annual Scientific Sessions, North American Society of Pacing and Electrophysiology, Toronto, Ontario, Canada 5/13, (invited lecture)
- 1999 "Atrial fibrillation and flutter in the young: Medical management", California Society of Pediatric Cardiology, Annual Meeting, San Diego, CA, 9/24 (invited lecture)
- 2000 "New technologies applied to ablation: Mini-course: Advances in the management of arrhythmias in congenital heart disease" 49th Annual Scientific Session, American College of Cardiology, Anaheim, CA 3/12 (invited lecture)

- 2000 "Syncope: Evaluation and management in pediatric patients", 49th Annual Scientific Session, American College of Cardiology, Anaheim, CA, 3/14 (invited lecture, session chair)
- 2000 "Catheter ablation of atrial flutter in patients with the Mustard or Senning procedure" 21st International Congress, CARDIOSTIM 2000, Nice, France 5/15 (invited lecture)
- 2000 "Expert consensus conference: Catheter ablation in children, adolescents, and patients with congenital heart disease" 21st Ann Scien Sessions, North American Soc of Pacing and Electrophys, Washington, DC, 5/17 (session moderator, conference co-chairman)
- 2000 "Clinical tutorial: New mapping and ablation techniques" 21st Annual Scientific Sessions, North American Society of Pacing and Electrophysiology, Washington, DC, 5/18 (invited lecture)
- 2000 "Meet the experts: How to obtain funding for pediatric electrophysiology research" 21st Annual Scientific Sessions, North American Society of Pacing and Electrophysiology, Washington, DC, 5/19 (invited lecture)
- 2000 "Pediatric Critical Care Nursing", San Francisco, sponsored by Contemporary Forums. "Management of Post-operative Arrhythmias. October 21.
- 2000 "Optimizing long-term outcome in patients with a univentricular heart: Management of atrial arrhythmias" Sunday Morning Session, 73rd Scientific Sessions, American Heart Association, New Orleans, LA, 11/12 (invited lecture)
- 2000 "How to select pediatric patients for catheter ablation of narrow QRS tachycardia" How-to Session, 73rd Scientific Sessions, American Heart Association, New Orleans, LA, 11/13 (invited lecture)
- 2001 "Pediatric Arrhythmias, Electrophysiology and Pacing", Course Faculty, Heart House, Bethesda, MD, January 29-31 (3 lectures, 3 workshops), Gillette PC, Garson A, Program Directors, sponsored by the ACC and the NASPE, ACCME Accredited Course.
- 2001 "Radiofrequency ablation of atrial flutter" Core Curriculum, North American Society of Pacing and Electrophysiology, 22nd Annual Scientific Sessions, Boston, 5/4 (session chair)
- 2001 "Radiofrequency ablation of atrial flutter" Core Curriculum, North American Society of Pacing and Electrophysiology, 22nd Annual Scientific Sessions, Boston, 5/4 (session chair)
- 2001 "Atrioventricular node reentry (AVNRT) in children: Effect of slow pathway ablation on fast pathway function" North American Society of Pacing and Electrophysiology, 22nd Annual Scientific Sessions, Boston 5/5 (abstract presentation)
- 2001 "Catheter ablation in the new millennium VI: Pediatric ablation", North American Society of Pacing and Electrophysiology, 22nd Annual Scientific Sessions, Boston, 5/5 (session chair)
- 2001 Visiting Professor, Greenlane Hospital, Peadiatric Cardiology Division, Auckland, New Zealand, Aug 2-3.
- 2001 "Carto", Electrophysiology and Pacing Symposium: Intracardiac Mapping Techniques. the Cardiac Society of Australia and New Zealand, 49th Annual Scientific Meeting, Auckland, New Zealand, 8/5 (invited lecture)
- 2001 "Perioperative arrhythmia management" Paediatric Symposium - Perioperative Management. The Cardiac Society of Australia and New Zealand, 49th Annual Scientific Meeting, Auckland, New Zealand, 8/5 (invited lecture)
- 2001 "Management of complex arrhythmias in congenital heart disease" Keynote address: Paediatric and Congenital Heart Disease Symposium. Cardiac Society of Australia and New Zealand, 49th Annual Scientific Meeting, Auckland, New Zealand, (invited lecture)
- 2001 "Syncope" Paediatric and Congenital Arrhythmias Symposium. The Cardiac Society of Australia and New Zealand, 49th Annual Scientific Meeting, Auckland, New Zealand, 8/7 (invited lecture)
- 2002 "Charleston Symp on Ped Inter Electrophys". Course faculty, Kiawah Island, SC, sponsored by MUSC. ACCME Accred Course. "Atrial reentrant tachycardias post Mustard/Senning procedure" 3/15, "Ventricular tachycardia in tetralogy of Fallot and variants" 3/16
- 2002 "Arrhythmia management in adults with congenital heart disease" Evening Session, 51st Annual Scientific Session, American College of Cardiology, Atlanta, GA, 3/17 (chaired session)
- 2002 "Registries and clinical trials in pediatric cardiology; The ablation registry" Mini-course, 51st Annual Scientific Session, American College of Cardiology, Atlanta, GA, 3/17 (invited lecture)

- 2002 "Invasive electrophysiology in children: State of the art" ISCE 2002: International Society for Computerized Electrocardiology, Annual Meeting, Doorwerth, the Netherlands, 4/23 (invited lecture)
- 2002 "Stump the pediatric stars with complex electrocardiograms and electrograms" Clinical Tutorial, 23rd Annual Scientific Sessions, North American Society of Pacing and Electrophysiology, San Diego, CA, 5/9 (invited lecture, chaired session)
- 2002 "Overview session: Highlights of the NASPE 23rd annual scientific sessions (roundtable discussion)", Core Curriculum, 23rd Annual Scientific Sessions, North American Society of Pacing and Electrophysiology, San Diego, CA, 5/11 (invited lecture)
- 2002 "Rhythms on Parade", Grand Rounds, Department of Pediatrics, Children's Hospital Central California, Madera, 8/15
- 2002 "Indications for radiofrequency ablation of tachyarrhythmias in the pediatric population", Western Society of Pediatric Cardiology, annual meeting, Monterey, CA, 9/20 (invited lecture)
- 2002 "Arrhythmias in the Emergency Room", Consultant lecture, Department of Pediatrics, Children's Hospital Central California, Madera, 10/22
- 2003 "Prospective assessment after pediatric cardiac ablation-initial results of the multicenter study", American College of Cardiology, 52nd Annual Scientific Session, 3/31, (abstract presentation)
- 2003 "2nd Charleston Symp on Ped Interv Electroph", Course fac, Kiawah Island, SC, MUSC. ACCME Accredited Course, "Typical and atypical AVNRT: current technology, technique and results", 5/11, "Ablation of idiopathic ventricular tachycardia, 5/13
- 2003 "Combining what adult and pediatric EPs can learn together: Ablation of atrial tachycardia in the Mustard and Senning procedure", 24th Ann Scien Sess, North American Soc of Pacing and Electrophysiology, Washington, DC, 5/16 (invited lecture)
- 2003 "Prospective research in pediatrics; PAPCA", 24th Annual Scientific Sessions, North American Society of Pacing and Electrophysiology, Washington, DC, 5/16 (invited lecture)
- 2004 "Catheter ablation of ventricular tachycardia substrates following RV surgery", 25th Annual Scientific Sessions, North American Society of Pacing and Electrophysiology, San Francisco, CA, 5/19, (invited lecture)
- 2005 Visiting Professor: Russian Federal Centre for Children's Arrhythmia. Moscow, Russian Federation, March 4-12.
- 2005 "Challenging ablations for uncommon arrhythmias: Arrhythmias in congenital heart disease", 26th Annual Scientific Sessions, Heart Rhythm Society, New Orleans, LA 5/4 (invited lecture)
- 2005 Pedirhythm 2: Pediatric Rhythm Congress, sponsored by Heceteppe University, Antalya, Turkey 6/15-18. Accredited by EBAC. "Radiofrequency ablation in persistent junctional reciprocating tachycardia 6/15
- 2005 Pedirhythm 2: Pediatric Rhythm Congress, Heceteppe Univ, Antalya, Turkey 6/15-18. Accredited EBAC. "Cryoablation in accessory pathways and atrioventricular node reentry tachycardia"
- 2005 Visiting Professor, Heceteppe University, Ihsan Dogramaci Children's Hospital, Pediatric Cardiology Division, Ankara, Turkey, June 20-23.
- 2006 "Emergency Management of Arrhythmias in Children", Emergency Medicine Grand Rounds, Stanford University Hospitals and Clinics, Stanford, CA, 3/22
- 2006 Biodesign New Arrhythmia Technologies Retreat, sponsored by Stanford University Biodesign Program, Stanford University Schools of Medicine and Engineering. "Pediatric Ablation." Stanford, CA, 4/1
- 2006 "Management of arrhythmias in children with structurally normal hearts", Pediatric Cardiology Society of Greater New York, Dennison Young Symposium. Montefiore Medical Center, Bronx, NY, 4/5 (invited lecture)
- 2006 "Pediatric Interventional Electrophysiology: Innovation and the Incorporation of New Technology", Dennison Young Lecture, Pediatric Grand Rounds, Montefiore Children's Hospital, Bronx, NY, 4/5
- 2006 Visiting Professor: Montefiore Children's Hospital, Albert Einstein School of Medicine. 21st Dennison Young Visiting Professor and Lecturer, April 5.

- 2006 "Considerations in ICD implantation: Subpopulations of Special Interest", 27th Annual Scientific Sessions, Heart Rhythm Society, Boston, MA, 5/17 (invited lecture)
- 2006 "Controversies in pediatric/adult congenital heart disease: Cryoablation should be first line ablative therapy for children with AVNRT having a demonstrable ablation endpoint", 27th Ann Scien Sess, Heart Rhythm Soc, Boston, MA, 5/18, (chaired session)
- 2006 "What electrophysiologists need to know about the 38th Bethesda conference on athletes", 27th Annual Scientific Sessions, Heart Rhythm Society, Boston, MA 5/19 (invited lecture)
- 2007 Visiting Professor: Starship Children's Hospital/Auckland Hospital, Paediatric Cardiology and Electrophysiology Services, Auckland, New Zealand, March 5-8.
- 2007 Ventricular Arrhythmia and Sudden Death. Course Faculty, San Francisco. sponsored by Stanford University. ACCME Accredited course. "Catheter ablation of VT in Congenital Heart Disease" 4/20
- 2007 "How to apply EP principles to macroreentry tachycardias in complex and slowly-conducting atria", Mini-course, 28th Annual Scientific Sessions, Heart Rhythm Society, Denver, CO, 5/9
- 2007 "Ten years of cryo-ablation: What have we learned? (in arrhythmic children)", Core Curriculum, 28th Annual Scientific Sessions, Heart Rhythm Society, Denver, CO, 5/10
- 2007 Debate (antagonist) "Debate: Neonatal screening for LQTS should be mandatory", 28th Annual Scientific Sessions, Heart Rhythm Society, Denver, CO, 5/12
- 2007 Visiting Professor: Heceteppe University, Ihsan Dogramaci Children's Hospital, Pediatric Cardiology Division, Ankara, Turkey, October 1-2.
- 2007 Pedirhythm 3: Pediatric Rhythm Congress, sponsored by Heceteppe University, Istanbul, Turkey 10/3-6. Accredited by EBAC. "AVNRT Ablation", "AP cryoablation", and "Entrainment and 3D mapping"
- 2008 Ventricular Arrhythmia and Sudden Death. Course Faculty, San Francisco. Sponsored by Stanford University. ACCME Accredited course. "Catheter ablation of VT in Congenital Heart Disease. 3/15
- 2008 "Developmental aspects of atrioventricular node reentry tachycardia". ISCE 2008: International Society for Computerized Electrocardiology, Annual Meeting, Riverside, CA. 5/2 (invited lecture)
- 2008 "Adults with congenital, right ventricular and idiopathic disease". Discussant: Ablation of VT after repair of tetralogy of Fallot - "reality EP: prerecorded live case". Heart Rhythm Society 29th Annual Scientific Sessions, San Francisco, CA 5/14
- 2008 "Ablation of less common arrhythmia substrates in the young: JT, twin AV nodes, septal ATs, etc". (invited lecture) Heart Rhythm Society 29th Annual Scientific Sessions, San Francisco, CA 5/17
- 2008 Visiting Professor: Raley Children's Hospital/University of California San Diego, Pediatric Cardiology Division, San Diego, Sept 11-12
- 2008 "Pediatric Interventional Electrophysiology: Innovation and the incorporation of new technology", Pediatric Grand Rounds, Raley Children's Hospital/ University of California San Diego, 9/12
- 2008 "Weak and Dizzy: The evaluation of syncope." Early Bird Rounds, St Louis Children's Hospital 9/14/08
- 2008 "Pediatric Interventional Electrophysiology: Science, innovation and the incorporation of new technology. Grand Rounds, Dept of Pediatrics, Washington University, 10/17/08
- 2008 "Adult CHD: Facing the Challenges; Managing Arrhythmias in the Adult Congenital Patient" American Heart Association, Scientific Sessions 2008, Orlando, FL 11/10/08 (invited lecture)
- 2009 Visiting Professor: Denver Children's Hospital, Denver CO 3/5/09
- 2009 Pediatric Interventional Electrophysiology: Innovation and the incorporation of new technology. 12th Vail Symposium of Pediatric Cardiac Diseases. Vail, CO (sponsored by University of Colorado Denver) March 14, 2009
- 2009 "Developmental Aspects of AVNRT" Research Retreat, Department of Pediatrics, Washington University, 4/3/09
- 2009 "State of the Art in Pediatric and CHD Patients: Difficult ablation techniques" Heart Rhythm Society Annual Scientific Sessions, 5/13/09, Boston, MA (invited lecture)

- 2009 "Catheter or Surgical Ablation of Ventricular Tachycardia is a Safe Substitute for an Implantable Defibrillator in Repaired Tetralogy of Fallot (proponent)" Heart Rhythm Society Annual Scientific Sessions, Boston, MA 5/15/09 (debate)
- 2009 "Device Implantation in ACHD: Challenges and Outcomes" in "Arrhythmias in ACHD: Evaluation and Management." American Heart Association Scientific Sessions 2009, Orlando, FL 11/17 (invited lecture)
- 2010 "Treatment of AET and JET – Native and Post-Op" at "Evolving Concepts in the Management of Complex Congenital Heart Disease II" San Diego, CA (sponsored by Rady Children's Hospital-San Diego), 1/15.(invited lecture)
- 2010 Visiting Professor: Acibadem University Hospital, Istanbul, Turkey. September 27-28.
- 2011 ACC Symposium-The Great Debates. ECG should not be performed before pharmacologic treatment of ADHD. American College of Cardiology (presentation/debate) New Orleans, April 3.
- 2011 Mincourse: Extrapolating Large Randomized Clinical Trials in Adults to Pediatrics and CHD. Heart Rhythm 2011 Annual Scientific Sessions. (presenter) May 4.
- 2011 Meet the Experts Session: Using Multicenter Databases and Registries to Direct Pediatric and Adult Congenital Electrophysiology Care (discussant) Heart Rhythm 2011 Annual Scientific Sessions, San Francisco, May 5.
- 2011 Cardiovascular Seminar: The Patient with Asymptomatic WPW: What do I do? American Heart Association, Annual Scientific Sessions, Nov 14.
- 2012 Abstract Session: "Provocative Ablation Cases." Heart Rhythm 2011 Annual Scientific Session, Boston MA 5-10-12 (Session Chair)
- 2012 "Common Pediatric Cardiology Emergencies" Westplex Pediatric Conference, Warrenton, MO, 8-15-12
- 2012 Visiting Professor: Acibadem University Hospital, Istanbul, Turkey. November 26-28.
- 2012 Ablation by nontransvenous approach. Indications: Whom and when? Pedirhythm 5: Pediatric and Congenital Rhythm Congress. Istanbul, Turkey.
- 2012 IART Management: Ablation methods. Pedirhythm 5: Pediatric and Congenital Rhythm Congress. Istanbul, Turkey.
- 2013 The Development of Catheter Ablation as a Technique in Children with SVT. Heart Rhythm Society Annual Scientific Sessions, Denver CO
- 2013 "ECG screening in young athletes: Prudent practice or invitation to chaos?" Grand Rounds, University of Oklahoma, Tulsa.
- 2014 Landmark Advances in Pediatric Cardiology: Ablations for Arrhythmias in Congenital Heart Disease: The Early Years. American College of Cardiology Annual Scientific Session. Washington DC
- 2014 16th Annual Dr. Martha Carpenter Lecture, University of Virginia Department of Pediatrics, Charlottesville VA. "Cardiac Arrhythmia Ablation in Children: Learning how the heart works by destroying stuff."
- 2014 "Approaches of conventional screening for sudden cardiac death in the young: Benefits and unintended consequences." CVI 3rd Annual New Paradigms in Arrhythmia Management. Philadelphia PA
- 2014 " Challenges and Successes in Funding for PACES Multicenter Clinical Trials" Joint Session, Heart Rhythm Society Annual Scientific Session
- 2014 "Management of arrhythmias in the congenital heart patient" Kansas City Heart Rhythm Symposium. Sponsored by University of Kansas.
- 2015 "History and status of ablation of atrial arrhythmias following repair of congenital heart disease" at the 11th Annual Congress of the European Cardiac Arrhythmia Society, Paris, France
- 2015 "Mahaim fiber ablation" How to Ablate Challenging Arrhythmia Substrates. Heart Rhythm 2015 Annual Scientific Session, Boston MA
- 2015 "European vs. North American management of WPW. European Society of Cardiology/European Heart Rhythm Association Annual Scientific Session, Milan, Italy

- 2015 "Paediatric ablation: atypical AVNRT; JT & atypical 'Mahaim'." Asia Pacific Heart Rhythm Society Scientific Sessions, Melbourne, Australia
- 2015 "The future of Paediatric EP: Expect the unexpected!" Asia Pacific Heart Rhythm Society Scientific Sessions, Melbourne, Australia
- 2016 "ECG Pearls" 13th International Dead Sea Symposium on Innovations in Cardiac Arrhythmias and Device Therapy. Tel Aviv, Israel
- 2016 "Learning how the heart works by destroying stuff" 13th International Dead Sea Symposium on Innovations in Cardiac Arrhythmias and Device Therapy. Tel Aviv, Israel
- 2016 "ECG Screening in Young Patients: Health Policy, Cost Effectiveness and Bayesian Considerations" 13th International Dead Sea Symposium on Innovations in Cardiac Arrhythmias and Device Therapy. Tel Aviv, Israel
- 2016 "Long QT Syndrome: ECG screening should be NOT performed in infancy and early childhood" at the 12th Annual Congress of the European Cardiac Arrhythmia Society (ECAS), Paris, France
- 2016 Keynote Lecture: Arrhythmias Following Repair of Congenital Heart Disease. 63rd Meeting of the Japanese Heart Rhythm Society, Sapporo, Japan July 17
- 2016 "AVNRT and Accessory Pathways in Congenital Heart Disease" at the 9th Asia Pacific Heart Rhythm Society Scientific Session, Seoul, Republic of Korea, Oct 13
- 2016 "Should asymptomatic patients with WPW undergo ablation?" at the 9th Asia Pacific Heart Rhythm Society Scientific Session, Seoul, Republic of Korea, Oct 13
- 2016 "CRT is cost-effective also in pediatric patients" (debate) at the XVII International Symposium on Progress in Clinical Pacing, Rome Italy Nov 29
- 2016 "ILRs in children with channelopathies" at the XVII International Symposium on Progress in Clinical Pacing, Rome Italy, Dec 2.
- 2017 "Cryoablation: Current methods and results" Pedirhythm: Pediatric and Congenital Rhythm Congress VII, Thessaloniki, Greece; Feb 5.
- 2017 "The History of the Field of Pediatric Electrophysiology" Plenary Speaker, Pedirhythm: Pediatric and Congenital Rhythm Congress VII, Thessaloniki, Greece; Feb 5.
- 2017 "Advances in mapping methods and technology" Pedirhythm: Pediatric and Congenital Rhythm Congress VII, Thessaloniki, Greece; Feb 7.
- 2017 "Advancing a Field: The Evolution of Pediatric and Congenital Electrophysiology" Keynote Address, 2017 PACES – Advancing the Field. Orlando, FL; Feb 20.
- 2017 "Should Asymptomatic Patients with WPW Undergo Ablation?" Controversies in Arrhythmia Management: Joint Symposium of the Heart Rhythm Society and the American College of Cardiology, ACC 66th Scientific Session, Washington DC; March 17
- 2017 "ECG screening in young athletes: Prudent practice or invitation to chaos?" Grand Rounds, University of Missouri Department of Child Health, Columbia, MO; March 24
- 2017 "Ablation of asymptomatic WPW" HRS @China Program, Asia Pacific Heart Rhythm Society Summit 2017, April 7-8, Shanghai, China
- 2017 "Pacing for Congenital Complete Heart block. When to Implant and How Many Leads" HRS @China Program, Asia Pacific Heart Rhythm Society Summit 2017, April 7-8, Shanghai, China
- 2017 "Role of ILRs in managing patients with inherited cardiac arrhythmias." Mini Course, Heart Rhythm 2017 annual Scientific Sessions, Chicago. 5/10/17.
- 2017 "How to ablated junctional tachycardia in patients whose slow pathway has been eliminated." How-To Session, Advanced. Heart Rhythm 2017 Annual Scientific Sessions, Chicago 5/12/17.

Consulting Relationships and Board Memberships

- 1996 - 1996 NIH Special Emphasis Panel, "Cardiac Arrhythmias in Children", NHLBI, Bethesda, Maryland
- 1998 - 2000 National Task Force on Cisapride, North American Society for Pediatric Gastroenterology and Nutrition
- 1999 - 2003 Pediatric Committee, North American Society of Pacing and Electrophysiology

2000 - 2000	Conference Co-Chair, member of writing committee, NASPE Expert Consensus Statement: "Catheter Ablation in Children, Adolescents, and Patients with Congenital Heart Disease"
2001 - 2003	Program Committee, Annual Scientific Sessions, North American Society of Pacing and Electrophysiology
2005 - 2008	Member, Board of Trustees (elected position), Heart Rhythm Society
2010 - 2010	Grant reviewer, Single Ventricle Reconstruction Extension (SVR II) Study: Holter Core Laboratory, New England Research Institute/NHLBI
2010 - 2013	Grant reviewer, NHLBI Loan Repayment Program
2010 - 2014	Board Member, Children's Heart Foundation, Missouri Chapter, Missouri Chapter
2011 - 2012	Board of Trustees and At-Large member of Executive Committee, Heart Rhythm Society
2012 - 2014	Chair, Finance Committee, Heart Rhythm Foundation (Other)
2012 - 2014	Treasurer and Board member (ex officio, uncompensated), HRS Consulting, Inc.
2013 - Pres	Board Member, International Board of Heart Rhythm Examiners (Other)
2013 - 2016	Adult Congenital Heart Disease Test Committee, American Board of Internal Medicine (Other)

Research Support

Completed Support

<p>Medtronic USA, Inc. Fellowship Training Grant, 1 year, to support training in pediatric electrophysiology.</p>	7/10/2010- 6/30/2011
<p>Medtronic USA, Inc. Fellowship training grant, 1 year, to support training in pediatric electrophysiology.</p>	7/1/2007- 6/30/2008
<p>Medtronic USA, Inc. Fellowship training grant, 1 year, to support training in pediatric electrophysiology and/or heart failure</p>	7/1/2006- 6/30/2007
<p>North American Society of Pacing and Electrophysiology Program Director: Advanced Electrophysiology Fellowship Training Program Grant</p>	7/1/2003- 6/30/2006
<p>Access CardioSystems "Confirmation of the clinical sensitivity and specificity of the Access CardioSystemes rhythm analysis algorithm in pediatric patients" Extramural research grant.</p>	7/1/2004- 6/30/2005
<p>Medtronic USA, Inc Fellowship training grant, 1 year, to support training of an advanced Pediatric Electrophysiology Fellow</p>	7/1/2002- 6/30/2003

<p>Medtronic USA, Inc Fellowship training grant, 1 year, to support training of an advanced Pediatric Electrophysiology Fellow</p>	<p>7/1/2000- 6/30/2001</p>
<p>98173 Berlex Laboratories "Pharmacokinetics and pharmacodynamics of sotalol in a pediatric population with ventricular and supraventricular tachyarrhythmias"</p>	<p>7/1/1999- 6/30/2000</p>
<p>Lucile Packard Foundation for Children's Health, UCSF Fellowship training grant, 1 year, to support training of an advanced Pediatric Electrophysiology Fellow</p>	<p>7/1/1999- 6/30/2000</p>
<p>(George F. Van Hare, MD) Children's Discovery Institute, Washington University School of Medicine. . "Electrocardiographic Imaging in Congenital Heart Disease Following Repair" Large Infrastructure Core Grant.</p>	<p>7/1/2009- 6/30/2010</p>
<p>1RO1 HL58620 (George F. Van Hare, MD) National Heart, Lung and Blood Institute "Prospective Assessment after Pediatric Cardiac Ablation"</p>	<p>7/1/1998- 6/30/2003</p>
<p>(George F. Van Hare, MD) Sudden Infant Death Syndrome Alliance "Postnatal Development of Cardiac Electrophysiologic Behavior: Implications for Arrhythmogenesis"</p>	<p>7/1/1993- 6/30/1995</p>
<p>(George F. Van Hare, MD) Academic Senate, UCSF "Postnatal Development of Cardiac Electrophysiologic Behavior: Implications for Arrhythmogenesis".</p>	<p>7/1/1990- 6/30/1992</p>
<p>(Michael Dae, MD) California Affiliate, American Heart Association Grant-in-Aid "Assessment of Adrenergic Innervation in the Developing Myocardium"</p>	<p>7/1/1990- 6/30/1992</p>

Past Trainees

2005 - 2006

Alisa Niksch, MD, Postdoctoral Fellow

Study area: Advanced Clinical Trainee in Pediatric Electrophysiology

Present position: Assistant Professor of Pediatrics, Tufts University School of Medicine, Boston, MA

- 2002 - 2002 Anne Greene, MD, Postdoctoral Fellow
Study area: Advanced Clinical Trainees in Pediatric Electrophysiology
Present position: Associate Professor of Pediatrics, Children's Hospital National Medical Center, Washington, DC
- 2001 - 2002 Anne Greene, MD, , Postdoctoral Fellow
Study area: Advanced Clinical Trainee in Pediatric Electrophysiology
Present position: Associate Professor of Pediatrics, Children's Hospital National Medical Center, , Washington, DC
- 1997 - 1997 David Chan, MD, Postdoctoral Fellow
Study area: Advanced Clinical Trainee in Pediatric Electrophysiology
Present position: Professor of Clinical Pediatrics, University of Illinois College of Medicine, Peoria, IL
- 2007 - 2008 Eric Silver, MD,, Postdoctoral Fellow
Study area: Advanced Clinical Trainee in Pediatric Electrophysiology
Present position: Assistant Professor of Pediatrics, Columbia University College of Physicians and Surgeons, New York, NY
- 2004 - 2005 George McDaniel, MD, Postdoctoral Fellow
Study area: Advanced Clinical Trainee in Pediatric Electrophysiology
Present position: Assistant Professor of Pediatrics, University of Virginia Health System, Charlottesville, VA
- 2000 - 2001 Kathryn Collins, MD, Postdoctoral Fellow
Study area: Advanced Clinical Trainee in Pediatric Electrophysiology
Present position: Associate Professor of Pediatrics, University of Colorado School of Medicine, Denver, CO
- 1996 - 1996 Margaret Schenck-Bell, MD, Postdoctoral Fellow
Study area: Advanced Clinical Trainee in Pediatric Electrophysiology
Present position: Staff Electrophysiologist, Arrhythmia Associates, LLP, Fairfax, VA
- 2003 - 2004 Terrence Chun, MD, Postdoctoral Fellow
Study area: Advanced Clinical Trainee in Pediatric Electrophysiology
Present position: Assisntant Professor of Pediatrics, University of Washington School of Medicine, Seattle, WA
- 2015 - 2016 Hoang Nguyen, MD, Clinical Fellow
Study area: Advanced Clinical Trainee Pediatric Electrophysiology
Present position: Assistant Professor of Pediatrics, Rush University, Chicago, IL
- 2010 - 2011 Sudhir Vashist, MD, Clinical Fellow
Study area: Advanced Clinical Trainee Pediatric Electrophysiology
Present position: Assistant Professor of Pediatrics, University of Maryland School of Medicine, Baltimore, MD
- 1998 - 2008 Anne Dubin, MD, Other
Study area: Mentorship Program, Stanford University
Present position: Associate Professor of Pediatrics, Stanford University, Palo Alto, CA

Teaching Responsibilities

- 1993 Member, Robert L. Biben, M.D. Memorial Grant Committee, American Heart Association, San Francisco Chapter.
- 1996 Member, Organizing Committee, XX11 1rd International Congress on Electrocardiology
- 1997 Organizing Committee, Session Moderator, International Society for Computerized Electrocardiology, 21st Annual Conference
- 2002 Organising Committee, XIIth World Symposium on Cardiac Pacing and Electrophysiology, Hong Kong
- 2003 Congress Co-director, Pedirhythm: Pediatric Rhythm congress. Istanbul, Turkey 7/30-8/2/2003, Istanbul Turkey. Sponsored by Hacettepe University, Ankara

- 2005 Course co-director, "Pedirhythm 2: Second Pediatric Rhythm Congress" Antalya, Turkey, 6/15-6/18. Sponsored by Heceteppe University, Ankara, accredited by European Board for Accreditation in Cardiology (EBAC).
- 2006 - 2010 Exam Test Committee, International Board of Heart Rhythm Examiners: Examination of Special Competency in Cardiac Pacing and Cardioversion Defibrillation, of the Heart Rhythm Society
- 2007 Congress co-director, "Pedirhythm 3: Pediatric Rhythm Congress" Istanbul Turkey, 10/3-10/6/2007. Sponsored by Hacetepe University, Ankara, accredited by European Board for Accreditation in Cardiology (EBAC).
- 2009 - Pres Chair, Pediatric Electrophysiology Examination Committee, International Board of Heart Rhythm Examiners
- 2010 Congress co-director, "Pedirhythm 4 : Pediatric & Congenital Rhythm Congress" Cesme-Izmir, Turkey. 9/22-9/25/2010. Sponsored by Acibadem University, Istanbul, accredited by European Board for Accreditation in Cardiology (EBAC).
- 2012 Congress Director, Pedirhythm 5: Pediatric and Congenital Rhythm Congress, istanbul, Turkey 11/28-12/1/2012. Sponsored by Acibadem University Istanbul, accredited by European Board for Accreditation in Cardiology (EBAC)
- 2014 Congress Co-director, Pedirhythm 6: Pediatric & Congenital Rhythm Congress, Istanbul Turkey 9/17-9/20/2014. Sponsored by Acibadem University Istanbul. Accredited by EBAC.
- 2017 Course co-director, Congress Co-director, Pedirhythm 7: Pediatric & Congenital Rhythm Congress, Thessaloniki, Greece . Accredited by EBAC.
