CV
NANCY E. DARGAN

CAREER HIGHLIGHTS

Administration and Management—Impressive record in business and management principles involved in strategic planning, resource allocation, leadership techniques, and coordination of people and resources.

Grant Development— Outstanding with the development of grants and requests for proposals. Approximately 90% of grants require measurement of Outcomes and success and failures. Development of final reports and setting of new standards based on outcome data.

Law and Government—Broad knowledge of laws, legal codes, court procedures, precedents, government regulations, executive orders, agency rules and democratic political process.

Internal / External Customer Service—Highly skilled in applying principles and processes of customer service; includes needs assessment, meeting quality standards, and evaluation of customer satisfaction.

Public Safety and Security—Advanced-level knowledge of relevant equipment, policies, procedures, and strategies to promote effective security operations for protection of people, data, and property.

Communication—Exceptional ability to apply emotional intelligence in oral and written comprehension with substantial public speaking/presentation experience.

Leadership - Facilitation of groups, whose intentions were to improve services, to expand programming opportunities and the education of multi disciplinary staff in order to meet a desired goal or objective.
