Teaching/Learning Portfolio

Awards

Oscar and Shoshanna Trachtenberg University Award for Scholarship (2008)

George Washington University Law School Teaching Prize (2007)

Programs Established

School of Public Health and Health Services, Department of Health Policy. Unique among U.S. Schools of Public Health, the Department focuses on all aspects of public health policy and houses health policy studies for the University. The Department has been consistently ranked in the top 10 nationally as a health policy concentration in public policy by U.S. News and World Report since its founding.

Hirsh Health Law and Policy Program. The University's home for joint health law/health policy studies, for candidates pursuing JD/MPH or LLM/MPH degrees, with a full health law and policy curriculum designed for non JD degree candidates

Geiger Gibson Program in Community Health Policy, recipient of over \$5 million in gifts and \$10 million in research funding; establishment of national research and policy center dedicated to the study of community health centers and medically underserved communities. Anticipated final gift in 2020 of between \$7 million and \$10 million, with cessation of Foundation operations.

Hirsh Program in Medicine and Policy, a special training program for residents and medical students within the GW Medical Center.

Courses taught (Average teaching ranking 4.5 and higher out of 5.0; in the law school, rankings consistently 5.5 and higher out of 6.0)

Law School

- Affordable Care Act Seminar (ongoing)
- Health Services Law (1994 -- present)
- Law and Medicine (1994-1997; replaced by 4-credit unified health services law course in 1997)

Dissertations (DrPH and PhD)

- Service on 13 doctoral dissertation committees since 1997 (Committee Chair for 2 doctoral dissertations)

Dissertations (L.L.M.)

- 15 LLM dissertations since 1996

Courses taught (other institutions)

- The Federal Budget Process and U.S. Health Policy Georgetown University Law Center (1989-1991)
- Introduction to Health Policy Analysis (The Johns Hopkins University School of Public Health (1986-1991)

Research and Scholarship, Extramural Awards

Led the growth of health policy research at the George Washington University from 1994 through 2010, culminating with the 2002 establishment of the Department of Health Policy. Since 1994, the health policy research enterprise at GW has generated approximately \$500 million in extramural awards. I have served as the Principal Investigator or Co-Investigator for more than \$125 million since 1992 in extramural research awards focusing on all phases of health policy, health insurance law, health care for medically underserved populations, maternal and child health, mental illness and substance abuse, and other topics.

Geiger Gibson Program in Community Health Policy established through a major gift totaling more than \$5 million since 2007; a final gift of between \$7 million and \$10 million projected with cessation of Foundation operations in 2020.

Public Health Practice Portfolio

Participation on Advisory Boards

Service to Congress, White House

Development of Health Law and Policy Deans Chairs and Scholars amicus brief initiative in 2011; nearly 1 dozen briefs developed over the years in collaboration with scholars across the country and pro bono law firms.

Pro bono consultation to state Medicaid programs, community health center networks, state and regional community health center primary care associations

Commissioner, U.S. Medicaid and CHIP Payment and Access Commission (MACPAC) (2009-present) Chair, 2016-2017

Member, CDC Director's Advisory Committee (2009 - present)

Member, CDC Advisory Committee on Immunization Practices (ACIP) (2009 - 2013)

Consultations and Program/Project Developments

United States Department of Health and Human Services: Since 1995, Principal investigator on more than 20 major federal awards from the CDC, SAMHSA, HCFA/CMS, HRSA, ASPE, and OCHIO/CCIIO to provide policy analysis, policy development, evaluation, and policy support on a

wide range of public health policy matters ranging from policies related to immunization-preventable illnesses and communicable disease to Medicaid managed care and its impact on the health care safety net. Current projects focus on implementation of the Affordable Care Act.

District of Columbia Department of Health Care Finance: 2005 – 2008, Principal investigator, ongoing technical assistance to the D.C. Department of Health Care Finance on Medicaid and public insurance.

Robert Wood Johnson Foundation, *HealthreformGPS*, a unique and ongoing online chronicle documenting implementation of the Patient Protection and Affordable Care Act

Expert Witness Service

Lucas Tuppeny v Bupa Cromwell Hospital (Queens Bench, UK, 2014) (challenge to hospital's refusal to pay medical expenses for injured child; testimony focused on whether the Affordable Care Act offers a source of health care financing for a U.S. citizen child with life-threatening injuries and long term care needs)

John B. v. Goetz, 661 F. 2d 871 (M.D. Tenn., 2009, 2011, 2012) testifying legal expert for the plaintiffs in initial action that led to entry of consent decree; legal expert for the Court in consent decree enforcement (2004-2008)

Frew v. Hawkins (consulting expert) 549 U.S. 1118 (2007): consulting expert on the Medicaid EPSDT enforcement litigation that ultimately led to a landmark ruling on the enforceability of Medicaid consent decrees.

GD v. Riley (consulting expert) (2007 WL 2206559, E. D. Ohio, 2009): ongoing litigation challenging the concept of medical necessity in Medicaid coverage of children under 21

Rosie D. v. Romney (testifying expert) 474 F. Supp. 238 (W.D. Mass., 2007): successful litigation challenging failure of Massachusetts to cover the full range of medically necessary care for severely disabled children enrolled in Medicaid

Hernandez v. Medows 209 F.R.D. 665, S.D. Florida (2002) (consulting expert on the issue of Medicaid coverage of prescription drugs)

Other Expert Activities and Consultancies

Consultation to state Medicaid programs and/or public health agencies over more than 30 years on matters related to the administration of Medicaid and public health programs

Consultation to foundations and voluntary organizations on all aspects of health law and policy. Selected consultancies: March of Dimes, the American Hospital Association, the American

Academy of Pediatrics, The Association of Health Insurance Plans, The Henry J. Kaiser Family Foundation, The Commonwealth Fund, the Robert Wood Johnson Foundation, the Kellogg Foundation, The California Endowment, the W.T. Grant Foundation, Blue Shield Foundation of California, The RCHN Community Health Foundation, The Center for Health Care Strategies, and numerous community foundations.
