 - 2018-2019: Facilitated regular small group discussions and midterm/final exams (including grading) for PPS1 and PPS2 courses
 - 2019-2020: Facilitated regular small group discussions and midterm/final exams (including grading) for PPS1, PPS2 and PPS3 courses

NEW COURSES OR PROGRAMS DEVELOPED

National or regional

- Improving Mental Health Screening in Primary Care: A QI-MOC Learning Collaborative. (2014-2015) Developed longitudinal quality improvement learning collaborative for Maintenance of Certification and Continuing Medical Education credit designed to support pediatric primary care providers in administering approved, standardized mental health screens at annual well visits in primary care. Led team to implement learning collaborative and plan and coordinate webinars. Responsibilities also included teaching during 4 of monthly webinars and facilitation of monthly team leader calls. Results of Learning Collaborative highlighted as best practice by the American Board of Pediatrics and published as a manuscript in *Pediatrics*.

- Academic Pediatric Association (APA) U.S. Poverty Curriculum, Module 5-Medicaid. (2017-present) Member of cross-institutional team who developed the 5th module in this series. Presented module at the 2018 Pediatric Academic Societies Annual Meeting. <https://www.aap.org/en-us/advocacy-and-policy/aap-health-initiatives/CPTI/Pages/U-S-Child-Poverty-Curriculum.aspx>
- Cross-Sector Early Childhood Mental Health Learning Collaborative (2018-2019). Developed longitudinal quality improvement learning collaborative for Maintenance of Certification and Continuing Medical Education Credit designed to improve collaboration between early childhood education centers, pediatric primary care providers and early childhood mental health clinicians for children younger than 5 with developmental and behavioral health concerns.
- Transforming Child and Family Mental Health in Washington DC: A 4-Part Dialogue to Inspire Visionary Change in Mental Health Promotion, Prevention, and Treatment for Children and Families in the Nation's Capital (2019-2020). Conceptualized, planned and implemented this city-wide series focusing on mental health systems change in collaboration with Ascend at the Aspen Institute and MedStar Georgetown University Hospital.

Institutional

- Newborn care course for hospital nursery staff (1999 – 2001). Conceived and developed a didactic and hands on training curriculum for nursing and paraprofessional staff providing care for newborns in a remote location (Naval Medical Center Guantanamo Bay Cuba). Included serving as a certified instructor and course director for the Neonatal Resuscitation Program and the Pediatric Advanced Life Support program.
- Resident curriculum focused on prevention of child abuse and neglect (2005-2007). Worked as part of a committee in partnership with Zero to Three to develop a curriculum focused on training residents to identify and utilize “teachable moments” to apply a strengths based approach to the prevention of child abuse and neglect during well child visits.
- Generations Clinic resident and student curriculum (2004 – present) . Developed curriculum to be used in teaching medical students and pediatric residents during their clinical rotation in the Generations Clinic, a “Teen-tot” clinic at Children’s National
- Intern advocacy curriculum (2012- present). Developed day long curriculum for intern advocacy workshop, required by all Children’s National interns and including coordination of faculty instructors (including myself). Curriculum includes a combination of didactic instruction and hands on experiences in the community.
- Founder and Chairperson of Advocacy Education Workgroup (2012 – 2017). Created a multidisciplinary workgroup to oversee and advise advocacy education at Children’s National, specifically focused on

- resident education. Group meets monthly and includes faculty from various departments, a chief resident and representatives from the American Academy of Pediatrics Department of Federal Affairs and Children's National Department of Government Affairs.
- Child Health Advocacy and Public Policy Pathway (CHAPP) (2014-present). Conception, development and implementation of CHAPP Pathway for residents, including a certificate and certificate with honors program, to meet the individualized curriculum requirement. Includes development of several new block rotations, including a Government Affairs elective, and a Public Relations and Media elective. A Children's Hospital Advocacy elective, a Legal Advocacy elective and subspecialty advocacy supplements are currently under development as well.

OTHER CONTRIBUTIONS

- Associate Editor, Mental Health; Pediatric Care Online and the AAP Textbook of Pediatric Care (2018 – present). Responsibilities include review of existing content, identifying and overseeing authors for new content and advise on strategy and dissemination of print and on-line publication. Appointed to this paid position.
- Trainee Education in Advocacy and Community Health (TEACH) Curriculum (2017 – present). Contributed as a member of the mentorship team for Dr Olanrewaju Falusi, Primary Investigator of this project developing a curriculum to teach pediatric residents and medical students about the impacts of poverty on health, and identifying strategies to incorporate this learning into clinical care. This project is funded by the Human Resources and Services Administration Primary Care Medicine and Dentistry Clinician Educator Career Development Award (Opportunity ID HRSA-17-072)
- External reviewer; Primary Care Curriculum at National Capital Consortium Pediatric Residency (2016). Invited to provide a comprehensive and independent review of pediatric residency program primary care activities. Included site visit, one on one interviews with current and former faculty and residents and a comprehensive written report with recommendations.
- REACH Advisor (2007 – 2009; 2015 – present). Faculty advisor for Children's National residents participating in the Research, Education, and Advocacy Child Health program.

Funding Agency	Norman and Diane Bernstein Family Foundation
Title of Grant	Early Childhood Innovation Network
Goal of Grant	To provide operating support for the Early Childhood Innovation Network, a city wide health network designed to implement, evaluate and disseminate innovative interventions to decrease the impacts of adversity in early childhood, provide education and technical assistance, and promote policy change
Role on project & (PI on grant)	PI
Effort	In kind

Grant Number	RM-14-RFP-270-BY4-DJW
Dates of Grant Support	2/23/2015 - 2/22/2020
Amount of Grant Support	\$2,806,390
Funding Agency	DC Department of Behavioral Health
Title of Grant	DC Mental Health Access in Pediatrics Program
Goal of Grant	To develop, implement and evaluate a model child psychiatry access program in Washington DC
Role on project & (PI on grant)	PI
Effort	20% through 2017, decrease to 10% then in-kind in 2019

Grant Number	N/A
Dates and amount of Grant	7/1/2013 – 6/30/2016: \$300,000

Support	7/1/2016 – 6/30/2017: \$140,000 7/1/2017 – 6/30/2018: \$175,000 7/1/2018 – 6/30/2019: \$195,000 7/1/2019 – 6/30/2020: \$195,000
Funding Agency	Howard and Geraldine Polinger Family Foundation
Title of Grant	Early Childhood Mental Health-Primary Care Project
Goal of Grant	Integrate early childhood and perinatal mental health screening and services into pediatric primary care clinics city-wide
Role on project & (PI on grant)	PI
Effort	In kind

FEDERAL GRANTS – Completed

Grant Number	1 R40MC21512-01-00
Dates of Grant Support	2/1/11 – 1/31/14
Amount of Grant Support	\$868,876
Funding Agency	HRSA, Maternal and Child Health Research
Title of Grant	Evaluating an Innovative Model to Support Teen Parents and their Children
Goal of Grant	This project evaluates the effectiveness of the “teen-tot” model of care using a quasi-experimental design
Role on project & (PI on grant)	Co-PI (PI: Amy Lewin)
Effort	15%

Grant Number	1APHPA006067-01-00
Dates of Grant Support	9/1/10 – 12/31/12
Amount of Grant Support	\$1,400,000
Funding Agency	DHHS, Office of Adolescent Pregnancy Program
Title of Grant	Generations Together: An Intervention for Adolescent Mothers and their Partners
Goal of Grant	This project implements and evaluates an innovative program designed to promote positive coparenting between pregnant and parenting adolescents and their partners for a population of underserved minority adolescent parents in the Washington DC area
Role on project & (PI on grant)	PI
Effort	30%

	however the federal agency was closed due to budget appropriations and grant ended 3 years early. As a result, the intervention was completed as a pilot project
--	--

Grant Number	NCHS Protocol #2008-01
Dates of Grant Support	6/1/07 – 8/31/09
Amount of Grant Support	In kind
Funding Agency	National Center for Health Statistics, CDC
Title of Grant	Validation of the NHANES Computer-Assisted Self Interview (A-CASI) Adolescent Growth and Development Questions
Goal of Grant	This project examines the validity of a computer assisted questionnaire for self-assessment of pubertal status in children ages 8-19 years old
Role on project & (PI on grant)	Site PI (PI: Margaret McDowell)
Effort	5% in kind

Grant Number	1APHPA006026-01-00
Dates of Grant Support	9/1/05 – 8/31/10
Amount of Grant Support	\$1,750,000
Funding Agency	DHHS, Office of Adolescent Pregnancy Programs
Title of Grant	Enhanced Healthy Generations Program
Goal of Grant	This project implements and evaluates an intensive case management and mental health intervention for a population of underserved minority adolescent parents in the Washington DC area.
Role on project & (PI on grant)	PI
Effort	20%

Grant Number	1P20MD00165
Dates of Grant Support	7/1/2004 – 10/31/2007 (grant 7/1/04 – 6/30/08)
Amount of Grant Support	\$1,9991,053
Funding Agency	National Institutes of Mental Health
Title of Grant	Young Mothers Study
Goal of Grant	This study investigates the relationship between violence exposure and mental health and parenting behaviors in young mothers with preschool-age children

Role on project & (PI on grant)	Collaborator (PI: Jill Joseph)
Effort	5%

Grant Number	6APH PA0020020201
Dates of Grant Support	9/16/2003 – 9/15/2005 (grant 9/16/00-9/15/05)
Amount of Grant Support	\$1,379,000
Funding Agency	DHHS, Office of Adolescent Pregnancy Programs
Title of Grant	Healthy Generations Program
Goal of Grant	The goal of this project is to expand a model teen-tot program to a needy area in DC and evaluate the effectiveness of a home visitation program integrated into this clinical program.
Role on project & (PI on grant)	Co-PI (PI: Dana Best)
Effort	20%

STATE, FOUNDATION AND NON-PROFIT GRANTS – Completed

*Note: Grant years listed separately when new application for funding was required

Grant Number	N/A
Dates of Grant Support	Philanthropic gift given in 2014
Amount of Grant Support	\$250,000
Funding Agency	Private donor
Title of Grant	DC Collaborative for Mental Health in Pediatric Primary Care
Goal of Grant	Support ongoing work focused on integration of mental health in pediatric primary care, including provider education, technical assistance and policy change
Role on project & (PI on grant)	PI
Effort	In-kind

Grant Number	N/A
Dates and amount of Grant Support	2014: \$50,000 2015: \$25,000
Funding Agency	Private donor
Title of Grant	DC Collaborative for Mental Health in Pediatric Primary Care

Goal of Grant	Operating support for the work of the DC Collaborative for Mental Health in Pediatric primary care, focused on primary care-mental health integration
Role on project & (PI on grant)	PI
Effort	In kind

Grant Number	RM-14-SAS-165-BY0-DJW
Dates of Grant Support	1/30/2014 – 1/29/2015
Amount of Grant Support	\$223,814
Funding Agency	DC Department of Behavioral Health
Title of Grant	DC Mental Health Access in Pediatrics Program
Goal of Grant	Provide training and technical assistance to pediatric primary care providers for routine mental health screening at well visits
Role on project & (PI on grant)	PI
Effort	In kind

Grant Number	N/A
Dates of Grant Support	1/1/2013 – 12/31/2014
Amount of Grant Support	\$50,000
Funding Agency	Institute of Medicine as a Profession-Josiah Macy Jr. Foundation
Title of Grant	Developing a Health Advocacy and Public Policy Pathway for Pediatric Residents
Goal of Grant	Develop an advocacy and policy pathway for Children's National pediatric residents to meet ACGME requirements and serve as a national model
Role on project & (PI on grant)	PI
Effort	In kind

Grant Number	CHA.PSMB.CNMC-PGRM-C.052013
Dates of Grant Support	05/28/2013 – 09/30/2015
Amount of Grant Support	\$498,000
Funding Agency	DC Department of Health
Title of Grant	Child Psychiatry Access Project
Goal of Grant	To design and develop a best practice model to improve the integration of mental health in

	pediatric primary care, and provide training and technical assistance to pediatricians in Washington DC
Role on project & (PI on grant)	PI
Effort	15%

Grant Number	JA-FSA-DCFI-10-003
Dates of Grant Support	10/1/2009 – 9/30/2010
Amount of Grant Support	\$50,000
Funding Agency	DC Department of Human Services, Family Services Administration
Title of Grant	Generations of Fathers Program
Goal of Grant	To support parenting, education and career support offered through the Generations of Fathers program, targeted towards young fathers of children born to adolescent mothers
Role on project & (PI on grant)	PI
Effort	In kind

Grant Number	N/A
Dates of Grant Support	1/2008 – 12/2008
Amount of Grant Support	\$12,000
Funding Agency	American Academy of Pediatrics
Title of Grant	Community Access to Child Health (CATCH) grant
Goal of Grant	Planning grant to explore the needs of fathers of children born to adolescent mothers through focus groups and key informant interviews
Role on project & (PI on grant)	PI
Effort	In kind

Grant Number	N/A
Dates of Grant Support	1/1/2009 – 12/31/2009
Amount of Grant Support	\$50,000
Funding Agency	Marpat Foundation
Title of Grant	Staying on Track
Goal of Grant	Program support for the Healthy Generations Program Primary Prevention Initiative (Staying On Track) designed to support the siblings of adolescent parents
Role on project & (PI on grant)	PI
Effort	In kind

Grant Number	N/A
Dates of Grant Support	11/2007 – 8/2010
Amount of Grant Support	\$140,000
Funding Agency	House of Mercy's Rosemount Center
Title of Grant	Preschool Program Evaluation
Goal of Grant	Evaluate preschool program services at Rosemount Center, a bilingual Head Start Center serving mostly minority and immigrant families, to assess program impact on both child and family development
Role on project & (PI on grant)	Collaborator (PI: Amy Lewin)
Effort	In kind

Grant Number	RFA 05-09-08
Dates of Grant Support	9/18/2006 – 9/30/2007
Amount of Grant Support	\$238,151
Funding Agency	DC Department of Human Services, Income Maintenance Administration
Title of Grant	Teen Pregnancy Prevention and Social Marketing Campaign
Goal of Grant	Design and implement a teen pregnancy prevention program focusing on siblings of adolescent mothers (Staying on Track)
Role on project & (PI on grant)	PI
Effort	5%

Grant Number	N/A
Dates and amount of Grant Support	11/1/2006 – 10/31/2007: \$85,000 11/1/2007 – 10/31/2008: \$106,588 11/1/2008 – 10/31/2009: \$106,294 11/1/2009 – 10/31/2010: \$106,294 11/1/2010 – 10/31/2011: \$110,000 11/1/2011 – 10/31/2012: \$110,000 11/1/2012 – 10/31/2013: \$110,000 11/1/2013 – 10/31/2014: \$110,000
Funding Agency	The Summit Fund of Washington
Title of Grant	Healthy Generations Program
Goal of Grant	General operating support for the Healthy Generations Program, a teen-tot program providing medical care, case management, social work support and mental health services for adolescent headed families
Role on project & (PI on grant)	PI

Effort	In kind
--------	---------

Grant Number	N/A
Dates of Grant Support	2005
Amount of Grant Support	\$11,000
Funding Agency	USAA Foundation
Title of Grant	Car Seat Distribution
Goal of Grant	Distribution of car seats to low-income families in the Children's Health Center-CN
Role on project & (PI on grant)	PI
Effort	In kind

Grant Number	N/A
Dates of Grant Support	8/2005 – 8/2006
Amount of Grant Support	\$50,000
Funding Agency	Quality Health Foundation
Title of Grant	Healthy Generations Program
Goal of Grant	To design and implement a mentoring program within the Healthy Generations Program for adolescent mothers and their children
Role on project & (PI on grant)	PI
Effort	20%

Grant Number	N/A
Dates and amount of Grant Support	12/2005 – 12/2006: \$65,000 12/2006 – 12/2007: \$51,750 12/2007 – 12/2008: \$50,000 12/2008 – 12/2009: \$50,000 12/2009 – 12/2010: \$50,000 12/2010 – 12/2011: \$50,000 12/2011 – 12/2012: \$50,000 12/2012 – 12/2013: \$50,000 12/2013 – 12/2014: \$50,000
Funding Agency	Alexander and Margaret Stewart Trust
Title of Grant	Healthy Generations Program
Goal of Grant	General operating support for the Healthy Generations Program, a teen-tot program providing medical care, case management, social work support and mental health services for adolescent headed families
Role on project & (PI on grant)	PI
Effort	In kind

Grant Number	N/A
Dates and amount of Grant Support	2004: \$13,590 (Educational materials) 2006: \$1,600 (Digital camera and supplies) 2012: \$20,000 (Generations of Fathers Program) 2013: \$20,000 (Generations of Fathers Program)
Funding Agency	Child Health Center Board
Title of Grant	Healthy Generations Program
Goal of Grant	Provide support for the Healthy Generations Program for adolescent headed families; specific intent of gift noted above
Role on project & (PI on grant)	PI
Effort	In kind
