TJ Parker is a general partner with Matrix, a founder of General Medicine, and is the co-founder and former CEO of PillPack. As CEO of PillPack, in just five years, TJ raised over \$100M in financing, grew the company to more than a thousand employees, and successfully sold the business to Amazon for \$1 billion in 2018. While at Amazon, he built Amazon Pharmacy and Amazon Clinic, and put Amazon on a path to expand broadly into healthcare. Today, TJ is focused on starting, investing in, and advising other healthcare and consumer focused businesses.
