

# Speaking & Testimony CV

## B. Douglas Hoey, RPh, MBA

Chief Executive Officer, National Community Pharmacists Association (NCPA)  
Alexandria, Virginia  
[REDACTED]

---

### Professional Summary

B. Douglas Hoey is the Chief Executive Officer of the National Community Pharmacists Association, representing the owners of nearly **19,000 independent community pharmacy small businesses** nationwide. A licensed pharmacist in Oklahoma, Texas, and Virginia, he is widely recognized as a national authority on community pharmacy payment models, PBM reform, prescription drug pricing, and pharmacy-based primary care access.

He has been quoted in **USA Today, The Wall Street Journal**, numerous regional outlets, and across national pharmacy trade publications. Hoey brings more than **20+ years of executive leadership**, deep policy expertise, and a career grounded in frontline pharmacy practice—including long-term care, home infusion, durable medical equipment, and his own family's independent pharmacy.

---

### Ideal Focus Areas for Testimony & Keynotes

- PBM reform, transparency, and reimbursement fairness
- Prescription drug pricing and patient access
- Medicare Part D & pharmacy payment models
- Independent pharmacy workplace sustainability
- Pharmacy safety, security, and controlled-substance issues
- Clinical service expansion & primary-care gap filling
- Health-IT modernization, e-prescribing, and interoperability
- Small-business pharmacy economics and entrepreneurship

## Current Leadership Roles

### Chief Executive Officer

#### National Community Pharmacists Association (NCPA)

2011–Present

- Leads the national association representing **19,000+ small-business pharmacies** serving tens of millions of Americans.
  - Provides national media commentary on community-pharmacy practice, drug pricing, and policy issues.
  - Oversees strategic initiatives, advocacy, policy development, and member-driven innovation.
  - Chairman, **NCPA Innovation Center**.
  - Vice-President, **World Pharmacy Council**.
  - Member, **Surescripts Board of Directors**.
  - Member, **Pharmacy Technician Certification Board of Governors**
- 

### Previous Leadership Roles at NCPA (1996–2011)

- **Chief Operating Officer**
    - Supervised Government Affairs, Communications, Management, Professional Affairs, Student Affairs, Finance, and Community Pharmacy Ventures.
    - Represented NCPA at national meetings and advised the CEO directly.
  - **Vice President, Management & Professional Affairs**
  - **Department Head, NCPA Management Institute**
    - **Associate Director & Assistant Director**, Management, Professional, and Student Affairs
- 

### Teaching & Academic Involvement

- Developed and taught pharmacology courses at:
  - **George Washington University**
  - **Marymount University**
- Curriculum developer, course architect, and on-air contributor for educational content (NPTV Clinical Update segments).

---

## Media, Public Presence & Speaking Experience

- More than **200 national and regional presentations** to pharmacy groups, policymakers, wholesalers, buying groups, and schools of pharmacy.
- Regularly interviewed by:
  - **USA Today, The Wall Street Journal**, national and local newspapers
  - Radio, TV, podcasts, and trade media
- Served as **national spokesperson** for Goody's Headache Powder.

---

## Professional Experience in Pharmacy Practice

- Pharmacist-in-charge and staff pharmacist roles across community, clinic, and hospital-affiliated pharmacies.
- Extensive experience in long-term care, home infusion, DME supply, and hospice consulting. Grew up in his family's independent-pharmacy—four colleagues at his early pharmacy later became owners—and worked there as a pharmacist before coming to NCPA.

---

## Education

- **Bachelor of Science in Pharmacy**  
University of Oklahoma
- **Master of Business Administration**  
Oklahoma City University

**Licensed as a Pharmacist in:** Oklahoma • Texas • Virginia

---
