<ul style="list-style-type: none">♦ <i>Association Management</i>: Plan, organize, and coordinate the programs and activities of the association♦ <i>Membership</i>: Develop and implement membership recruitment and retention programs♦ <i>Continuing Education</i>: Oversee educational meetings and programs of the association♦ <i>Research and Grant Management</i>: Seek and participation in research and education projects and activities♦ <i>Government and Public Relations</i>: Represent and advocate for the profession of pharmacy in Tennessee♦ <i>Industry and Professional Relations</i>: Build and maintain relationships with key industry constituents♦ <i>Alliance/Association Relations</i>: Collaborate and coordinate activities with national pharmacy associations♦ <i>Communications</i>: Supervise the association communications strategy and its implementation♦ <i>Political Action Committee Management</i>: Engage in political activities while complying with necessary laws♦ <i>Tax and Regulatory Compliance</i>: Serve as a resource for all forms of regulations for the association	

♦ *Tennessee Pharmacy Recovery Network Program*: Oversee the activities of the Tennessee Pharmacy Recovery Network (TPRN) Program and its contractual relationship with the Tennessee Board of Pharmacy.

**Vice President of Professional Affairs
Iowa Pharmacy Association**

December 2011—July 2021
Des Moines, IA

- ♦ Oversee IPA practice-related advisory committees and policy committees to address current issues across the practice of pharmacy
- ♦ Manage and oversee a \$500,000 grant program annual budget with key stakeholders including the Iowa Department of Public Health, Iowa Healthcare Collaborative, Community Pharmacy Foundation
- ♦ Serve as liaison to various state agencies including the Iowa Department of Public Health and the Board of Pharmacy
- ♦ Serve as liaison to various national pharmacy associations, including: NASPA, APhA, ASHP, NCPA, ASCP, and NACDS
- ♦ Coordinate professional programs and initiatives such as the technician product verification, Iowa Pharmacy Law and Information Resource Center, Mental Health First Aid trainings, and medication disposal program
- ♦ Coordinate educational and leadership development programs, including the Bill Burke Student Leadership Conference and the Leadership Pharmacy Conference for new practitioners
- ♦ Serve as liaison to student pharmacists, resident pharmacists, and pharmacy technicians in Iowa
- ♦ Onboard new staff and interns, including the IPA executive fellowship in association management, APPE student pharmacists, and the Max W. Eggleston executive internship in association management

**Pharmacist
NuCara Pharmacy**

June 2018—May 2021
Nevada, IA

- ♦ Staff NuCara pharmacies as needed and as appropriate

**Pharmacist
Hy-Vee, Inc.**

December 2011—April 2020
West Des Moines, IA

- ♦ Staff Hy-Vee pharmacies as needed and as appropriate

**Regional Clinical Manager
Kerr Health, LLC (subsidiary of Kerr Drug)**

July 2010—November 2011
Asheville, NC

- ♦ Assist Clinical Director in evaluation of new business opportunities
- ♦ Interface with health care providers, vendors, and other business partners in developing and managing clinical programs and special projects
- ♦ Implement projects and programs coordinating involvement of clinical pharmacist team members as needed; ensure that project objectives are met on time and within budget
- ♦ Assist Clinical Coordinators with practice management, including routine travel to assigned clinical sites
- ♦ Provide training and support professional development of clinical pharmacists
- ♦ Participate in the performance appraisal process
- ♦ Serve as liaison between Care Management and other Kerr Health divisions to ensure company objectives are met
- ♦ Oversee implementation of best practices, ensuring appropriate standards of care
- ♦ Function as a resource person concerning all areas of responsibility in the Care Management division
- ♦ Assist in budget development and monitor expenditures and revenue
- ♦ Develop proposals and write grants
- ♦ Maintain clinical competency through direct involvement in clinical decision-making and patient care

**Clinical Coordinator
Kerr Health, LLC (subsidiary of Kerr Drug)**

July 2008—July 2010
Asheville, NC

- ♦ *Clinical Education*: Precept pharmacy students and Community Pharmacy Practice Residents; Provide informal and formal lectures to students, patients, and professionals
- ♦ *Clinical Practice Management*: Provide advanced patient care services (*i.e.*, immunizations, MTM, and disease management); Identify and resolve drug therapy problems with appropriate documentation and monitoring; Secure compensation for services; Evaluate and enhance current programs
- ♦ *Community Practice*: Staff Kerr Drug pharmacies as needed and as appropriate

- ♦ *Corporate Wellness Programs*: Collaborate with employers to assist in managing employee health care costs
- ♦ *Medication Therapy Management Services*: Provide care management to eligible patients through established platforms (i.e., Mirixa, Outcomes); Provide disease state management to eligible patients through The Asheville Project (i.e., diabetes, asthma, depression, cardiovascular disease) and ADA Diabetes Self-Management Education
- ♦ *NC Medicaid Audits*: Complete medical practice audits per standards set by Community Care of NC
- ♦ *Entrepreneurial Leadership in Pharmacy Summer Internship*: Provide guidance for summer intern and preceptor in collaboration with Drake University and DELTARx

Community Pharmacy Practice Residency Director

January 2010—June 2010

Kerr Drug / Wingate University

Asheville, NC

- ♦ *Quality*: Oversee the overall learning experience of two pharmacist residents
- ♦ *Experience*: Ensure all program goals and specific learning objectives are met, training schedules are maintained, appropriate preceptorship is provided, and resident evaluations are routinely conducted
- ♦ *Marketing*: Actively recruit residency candidates through attendance at regional/national residency showcase and participating in resident candidate interviews

Community Pharmacy Practice Resident

July 2007—June 2008

University of North Carolina at Chapel Hill / Kerr Drug, Inc.

Chapel Hill, NC

- ♦ *Clinical Consultation*: Conducted nursing/assisted living facility quarterly chart reviews; Conducted Medicaid FORM quarterly medication evaluations
- ♦ *Clinical Education*: Precepted pharmacy students; Acted as pharmaceutical lab facilitator with satellite campus students; Provided informal and formal lectures to students, patients, and professionals
- ♦ *Clinical Practice Management*: Provided advanced patient care services such as immunizations, MTM, and disease management; Identified and resolved drug therapy problems with appropriate documentation and monitoring; Secured compensation for services; Evaluated and enhanced current programs
- ♦ *Clinical Research*: Designed and conducted an Antidepressant Adherence Intervention project for presentation at regional and national conferences
- ♦ *Community Practice*: Staffed Kerr Drug pharmacies to develop pharmacy workflow management skills and promote pharmacist counseling while safely and accurately preparing and dispensing medications
- ♦ *Community Service*: Assisted in health fairs for the community; Identified other opportunities for assistance
- ♦ *Medication Therapy Management Services*: Provided health care assistance to eligible Medicare patients through established platforms (i.e. Mirixa, Humana, and Outcomes)

Managed Care Summer Intern

June 2005—August 2005

Walgreen's Health Services (WHS)

Deerfield, IL

- ♦ Assisted in development of clinical programs and medication use evaluations for presentation to Pharmacy and Therapeutics Committee. Conducted presentations on managed care topics to clinical pharmacy staff.
