Committee on Energy and Commerce

U.S. House of Representatives

Attachment A: Witness Disclosure of Mr. Robert B. Dix, Jr.

Response to Question 5:

Juniper Networks sells commercial item networking hardware and software to many federal agencies through its authorized resellers, partners and federal prime contractors. Some prominent program wins include the following:

1. Defense Information Systems Agency – Defense Information Systems Network program.
2. Navy Marine Corps Internet – Security backbone.
3. Pentagon – 10 gigabit backbone.
4. Department of Energy – ESnet routing solution

Please advise if you require additional examples.

Attachment B: Curriculum Vitae of Mr. Robert B. Dix, Jr.

Bob Dix has served as the Vice President of Government Affairs & Critical Infrastructure Protection for Juniper Networks since 2006. During his career, he has served in senior leadership roles in industry and government, including serving as Staff Director for the House Government Reform Subcommittee on Technology, Information Policy, Intergovernmental Relations and the Census during the 108th Congress.

He represents Juniper as the Industry Executive Point of Contact for the President's National Security Telecommunications Advisory Committee (NSTAC). Mr. Dix was elected in May, 2011 as Chair of the Partnership for Critical Infrastructure Security (PCIS), and re-elected to succeeding terms in 2012 and again in 2013. He served as Chair of the Information Technology Sector Coordinating Council (IT SCC) from 2008 – 2010 and currently remains a member of the Executive Committee. He also serves on the National Security Task Force for the U. S. Chamber of Commerce.

He is a member of the AFCEA Cyber Security Committee and Chairs the Cyber Security Legislative Subcommittee for TechAmerica. Mr. Dix also serves as Chair for the Telecommunications Industry Association (TIA) Cyber Security Committee.

Additionally, Dix has actively worked since 2006 to insure and coordinate private sector participation and collaboration with various national level exercise programs intended to test our nation's preparedness and resiliency, including the TopOff; Cyber Storm; and NLE series. He served as Chair of the National Private Sector Working Group for both National Level Exercise 2010 and 2011 and helped coordinate private sector participation for NLE 2012, the first ever Tier 1 national cyber exercise.

In 2007 and 2009, Dix was honored with a prestigious Federal 100 Award, and was recognized in March, 2010 as the industry recipient of the annual Fed 100 Eagle Award.

Dix also served as a local government elected official in Northern Virginia for 12 years and in his spare time coaches AAU/Travel girls showcase basketball.
