Ms. Meredith Attwell Baker
President and CEO
CTIA – The Wireless Association
1400 16th Street, N.W., Suite 600
Washington, D.C. 20036

Dear Ms. Baker:

Thank you for appearing before the Subcommittee on Communications and Technology on January 21, 2015, to testify at the hearing entitled “Protecting the Internet and Consumers Through Congressional Action.”

Pursuant to the Rules of the Committee on Energy and Commerce, the hearing record remains open for ten business days to permit Members to submit additional questions for the record, which are attached. The format of your responses to these questions should be as follows: (1) the name of the Member whose question you are addressing, (2) the complete text of the question you are addressing in bold, and (3) your answer to that question in plain text.

To facilitate the printing of the hearing record, please respond to these questions with a transmittal letter by the close of business on April 16, 2015. Your responses should be mailed to Charlotte Savercool, Legislative Clerk, Committee on Energy and Commerce, 2125 Rayburn House Office Building, Washington, D.C. 20515 and e-mailed in Word format to Charlotte.Savercool@mail.house.gov.

Thank you again for your time and effort preparing and delivering testimony before the Subcommittee.

Sincerely,

Greg Walden
Chairman
Subcommittee on Communications and Technology

cc: Anna Eshoo, Ranking Member, Subcommittee on Communications and Technology

Attachment —Additional Questions for the Record

The Honorable Renee Ellmers

1. Ms. Baker, as we begin to benefit from the intersection of wireless and health care, would the regulation of wireless broadband under Title II help or hinder the industry's ability to deliver more patient-centric treatment solutions?
