Stuart R. Davis

Stu Davis' private and public sector career spans 35 years focused on driving strategies and results in the Information Technology and Geographic areas for state and local government. Stu currently is the State Chief Information Officer (CIO) and Assistant Director for the Ohio Department of Administrative Services (DAS), Office of Information Technology (OIT) and is responsible for the overall strategy, implementation and operation of the State's IT, Security and Privacy communities. Stu maintains a broad foundation of IT leadership and management capabilities, including infrastructure, enterprise shared services, and spatial technologies. Prior to his appointment as State CIO, Stu has served as the State Chief Operating Officer, Enterprise Shared Services Administrator as well as the Executive Director of the Ohio Geographically Referenced Information Program (OGRIP).

Currently, Stu is a 5 year member of the National Association of State CIOs (NASCIO) and serves as NASCIO's President. He is also a past president of the National States Geographic Information Council (NSGIC).
