**[Page and line numbers refer to SLW\_\_107, 070714.171.xml**

Page 4, strike lines 13 through 19 and insert the following:

1           (A)(i) the identity of the person asserting  
2           their right to license the patent to, or enforce  
3           the patent against, the recipient, or the identity  
4           of the affiliate of such person who is asserting  
5           the right to license the patent to, or enforce the  
6           patent against, the recipient on behalf of such  
7           person; and

8           (ii) the identity of each parent entity and  
9           the ultimate parent entity of the person or affil-  
10          iate described in clause (i), unless such person  
11          or affiliate is—

12                 (I) a public company, and the name of  
13                 the public company is identified; or

14                 (II) an affiliate of a public company  
15                 and the name of the affiliated public com-  
16                 pany is reasonably identifiable from the  
17                 name of the identified affiliate;
