Sanjay Poonen
CHIEF OPERATING OFFICER

Sanjay Poonen joined VMware in August 2013 and is responsible for worldwide sales, services, ecosystem and alliances, global marketing and communications and cross-portfolio product marketing.

Previously, Poonen held the role of executive vice president and general manager for the End-User Computing business unit at VMware. In this role, he was responsible for strategy, products, engineering, marketing and sales across all of VMware's End-User Computing offerings. Prior to

VMware, Poonen held executive roles at SAP, Symantec, VERITAS

and Informatica, and he began his career as a software engineer at Microsoft, followed by

Apple. Poonen holds two patents as well as an MBA from Harvard Business School, where he graduated a Baker Scholar; a master's degree in management science and engineering from Stanford University; and a bachelor's degree in computer science, math and engineering from Dartmouth College, where he graduated summa cum laude and Phi Beta Kappa.
