RESEARCH EXPERIENCE

Research Lead- Media Manipulation and Platform Accountability 2016-2018
Data & Society Research Institute Manhattan NY

- Developed a research agenda on media, disinformation, sociotechnical systems, and corporate accountability
- Supervised a dynamic research team of fourteen post docs, researchers, visiting faculty, and fellows
- Public engagement on research themes with universities, civil society organizations, journalists, technologists, and politicians
- Research Initiative Site: <https://datasociety.net/research/media-manipulation/>

Postdoctoral Fellow- UCLA's Institute for Society and Genetics 2015-2017
University of California Los Angeles

- At the Participation Lab, I managed a group of nine faculty graduate students and undergraduates, where we investigated the impact of genetic ancestry tests on the worldview of white supremacists using quantitative and qualitative methods.
- **Principal Investigators:**
 - Dr. Christopher Kelty (Information Studies and Anthropology)
 - Dr. Aaron Panofsky (Sociology and Public Policy)

Co-Principal Investigator 2010
Scripps Institution of Oceanography, University of California San Diego

- Conducted an extended ethnography at the Ocean Informatics Design Studio, where I interviewed scientists and graduate students about the challenges of research practices and data collection.
- Our report describes the history and use of the Ocean Informatics Design Studio located at Scripps Institution of Oceanography at the University of California San Diego. This Design Studio was developed in 2007 with the intended purpose of supporting collaboration in oceanographic research.
- Publication: [The Shape of Information Management: Fostering Collaboration across Data, Science, and Technology in a Design Studio](#)

AWARDS AND GRANTS

- **2019** Open Society Foundation (225K)
- **2019** Omidyar Foundation (60K)
- **2019** AI and Ethics Fund (700K)
- **2019** Hewlett Foundation (400K)
- **2019** University of Ottawa (60K)
- **2019** MacArthur Foundation (45K)
- **2019** Democracy Fund (350K)
- **2014** National Science Foundation Grant
- **2014** University of California San Diego; Department of Sociology; Dissertation Writing Fellowship
- **2014** University of California San Diego; Science Studies; Dissertation Fellowship
- **2013** University of California San Diego; Science Studies; Dissertation Fellowship
- **2013** University of California San Diego; Department of Sociology; Advanced Research Support Grant
- **2010-2011** University of California San Diego; Department of Sociology Teaching Assistant Excellence Award
- **2007-2008** International Tuition Remission Award; Concordia University
- **2006-2008** International Tuition Scholarship; Concordia University

SELECTED PRESENTATIONS

- Science Studies Colloquium, University of California San Diego, CA** 2019
 - “What is Media Manipulation?”
- University of Chicago Anthropology Department, Chicago IL** 2019
 - “Source Hacking: Media Manipulation in Practice”
- Race After Technology Panel, Harvard Kennedy School** 2019
 - Panel with Ruha Benjamin, Khalil Muhamad, and Latoya Peterson
- Google Headquarters, Sunnydale CA** 2019
 - Presented research on hate speech and white supremacist organizing online
- New York Times and The Guardian US, New York NY** 2019
 - Presented media manipulation research to their editorial boards and journalists
- American Sociological Association, New York NY** 2019
 - Paper: “Source Hacking: Media Manipulation in Practice”
 - Paper: “A Histogram of Critical Internet Studies”
 - Paper: “Parallel Ports. Sociotechnical Change from the Alt-Right to Alt-Tech”
- Online News Association, New Orleans LA** 2019
 - Presented research on media manipulation and algorithmic accountability
- International Journalism Festival, Perugia Italy** 2019
 - Panel presentations on disinformation, fact-checking and verification
- Council on Foreign Relations, New York NY** 2018
 - Panel presentation on Disinformation
- Congressional Briefing, Washington DC** 2018
 - Presented to Congressional representatives and staffers on disinformation
- Society for the Social Studies of Science, Sydney Australia** 2018
 - Keynote Lecture: “Activism, Algorithms, Accountability”

CONFERENCE ORGANIZING

- Covering Hate, Harvard Kennedy School, Cambridge MA** 2019
 - Brought together a cohort of 60 journalists who report on hate movements globally
 - Co-organized with The Guardian US and Data & Society
- “Please Do Not Include Us”** 2019
 - Convened technology workers across major corporations with data policymakers and civil society groups to discuss how to increase awareness of diversity and inclusion issues in AI
 - Co-organized with the Digital Justice Lab
- Covering Hate, Harvard Kennedy School, Cambridge MA** 2018
 - Brought together a cohort of 25 journalists who report on hate movements globally
 - Co-organized with The Guardian US

PROFESSIONAL & CIVIL SOCIETY ORGS

- Member of The American Sociological Association, Society for Social Studies of Science, and Council on Foreign Relations
- Reviewer for The Sociological Review, Social Media and Society, Science & Technology Studies, and Cultural Anthropology
- Board member of [Free Press](#), Advisor for [the Social Science Research Council’s MediaWell project](#), Affiliate at [Berkman Klein Center for Internet and Society](#), Affiliate at [Data & Society Research Institute](#).
