

Biographical Information – Dr. David Harkey, IIHS-HLDI President

David Harkey is president of the Insurance Institute for Highway Safety and the Highway Loss Data Institute. The two organizations work to reduce deaths, injuries, and property damage from motor vehicle crashes through research and evaluation and through education of consumers, policymakers and safety professionals.

Before taking the helm at IIHS-HLDI in 2018, Dr. Harkey led the University of North Carolina Highway Safety Research Center. Over his 40-year career, he has led major road safety research programs and projects for the Federal Highway Administration, National Highway Traffic Safety Administration and other public agencies and published numerous technical reports and peer-reviewed articles.
