Timothy J. Scott

**Chief Security Officer & Corporate Director, Emergency Services & Security
The Dow Chemical Company**

Timothy J. Scott is the Chief Security Officer & Corporate Director of Emergency Services & Security (ES&S) for The Dow Chemical Company, and a member of Dow's Corporate Crisis Management Team. Scott leads Dow's global ES&S expertise and operational organizations in over 200 locations around the world, and has testified as a subject matter expert before committees of both the U.S. House of Representatives and the U.S. Senate.

Scott served on the executive committee of the Chemical Sector Coordinating Council of the Department of Homeland Security, was a member of the inaugural National Maritime Security Advisory Committee, and co-chaired a Chemical Sector Case Study on Information Sharing sponsored by the National Infrastructure Advisory Council. Scott currently serves on the Advisory Board of the International Center for Chemical Safety & Security.

In 2007 Scott was named by Security Magazine as one of the 25 most influential security executives in the U.S.; and was a finalist for the Leadership Excellence Award sponsored by the Harvard Business Review and the United States Naval Academy's Stockdale Center for Ethical Leadership.

Scott joined Dow in 1979 and progressed through a number of assignments in public relations, emergency services and security. Before joining Dow Scott was an officer in the U. S. Navy.

Scott is a graduate of the U. S. Naval Academy earning a Bachelor of Science degree in international relations; with post graduate and executive education courses taken at the Joint Armed Services Defense Information School, New York Institute of Technology and Kellogg School of Business at Northwestern University.
